Cash Flow Diary 10 Steps To Creating Wealth In Any Economy:

Cash Flow Diary J. Massey, 2014-03 J Massey wasn't always a highly skilled investor but through action steps that he shares in this book he amassed an impressive portfolio of hundreds of properties in just six years using an intensive approach to learning and then putting to use what he learned immediately and at the Speed of Instruction Starting from less than zero he used other people's cash and credit to invest in properties from single family homes to multi family dwellings and large apartment complexes to commercial properties He now owns businesses and teaches others to do exactly what he does today with nothing held back This insider's look into the world of real estate investing and building a successful business gives readers the absolute road map to their own success as entrepreneurs and investors Author J Massey is not an extraordinary human being he did not have a formal education beyond high school he entered the real estate market at one of the worst times in history for that industry his wife was critically ill and he was injured so he could not work What makes J Massey different and very successful as a businessman and real estate investor is that he took action and then kept taking action steps learning and earning learning and earning to get him where he is today He invites readers to join him his hope is that he can motivate people to make changes in their lives that benefit them their families and on for generations to come It is his mission to provide clean safe affordable housing This book is one way to spread his mission and teach others to do the same
