Coaching Skills Models Your Pocket:

Coaching Skills Models in Your Pocket Emily Barnes, 2015-12-20 Maybe you're a rising business executive who's getting ready for your summer vacation and you're looking for something interesting to read. Maybe you're just heading to Seattle for a sales conference and you need something to peruse on the plane. Or maybe you're starting an MBA in the fall and you're wondering what books to read before you start. Yes, you feel you ought to read one of the latest business books. This title is one of the series of management books published by OxfordCS Publications. Our series of management books cover everything from accounting principles to business strategy. Each one has been written to provide you with the practical skills you need to succeed as a management professional. All our books for business professionals are written exclusively by experts within their fields. Delve into subjects such as accounting, self-management, human resource management, and job searching. This updated and expanded second edition of the book provides a user-friendly introduction to the subject. Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject. We hope you find this book useful in shaping your future career. **Business** Think Like a Coach Jude Sclater, 2024-03-14 You've made it to manager. But balancing a hectic schedule with empowering your team is proving challenging, and you're struggling to delegate. So how do you make this all work? How do you get the best from yourself, your team, and still have a life outside work? The answer is to **Think Like a Coach**. This simple yet transformative approach to managing a team focuses on three fundamental coaching skills that you're already using daily: listening, asking questions, and summarising. With subtle shifts in your conversations to leverage these skills, you can embrace a coach-like management style which will boost the performance and productivity of your team. Promote commitment, personal responsibility, and self-sufficiency. Free up precious time to focus on important tasks. Make recruitment and retention easier and smoother. Drive and deliver excellence in a team that's motivated and empowered. Seamlessly integrating into your everyday management style, **Think Like a Coach** is your trusty go-to guide that bridges the gap between theory and reality. It shows how even in high-pressure scenarios, it's still possible to tap into the true potential of your team, empower their success, and become the manager your team truly needs and deserves.

Coaching Skills for Nonprofit Managers and Leaders Judith Wilson, Michelle Gislason, 2009-12-04 The only nonprofit orientation to coaching skills available. **Coaching Skills for Nonprofit Leaders** will provide nonprofit managers with an understanding of why and how to coach, how to initiate coaching in specific situations, how to make coaching really work, and how to refine coaching for long-term success. **Coaching Skills for Nonprofit Leaders** offers practical steps for coaching leaders to greatness and complements the academic and theoretical work in nonprofit leadership theory. The book can be used by the coaching novice as a thorough topical overview or by those more experienced with coaching as a quick reference or refresher.

Based on the Inquiry Based Coaching approach Coaching Skills will strengthen and expand the reader's ability to drive organization mission while retaining the intrinsic values of the nonprofit culture and working towards outcomes that create a culture of discipline and accountability and empower others to be even more responsible accountable and self motivated This book uses accessible language examples case studies key questions and exercises to help Promote better relationships Know when to delegate direct and coach Balance directive and supportive styles of leadership for productive partnerships Overcome fears and deal head on with difficult situations and conflict Use coaching for performance improvement and on the job development Support independent thinking and personal reflection Gain commitment and accountability from others and build teams
