

I was not sorry when my wife cheated! In fact she did me a favour and gave me an excuse to live my life. I did not divorce her either. What for? Only a fool divorces in this economy! It's bloody expensive and you stand to lose more than you even thought you had to start with. Yes, I was angry, very in fact!! She slept outside that night and went back to her family home for a month. She tried to say I was cheating too but when I asked her to prove it she did not have a shred of evidence. It gave me justifications and something to hold over her head. I was already cheating in any case, once with her first cousin even but that is not what this is about. Women are so quick to send each other these little texts on what a real man should do when not one day have they ever carried a dick between their legs, paid lobola nor have to make sure that they keep the house financially stable when they are married. Doing the budget on my salary at the end of the month will never equate to the work I put in every day to take of you. As a reward you eat more and more and get fat then expect me to tell you that baby you still look as good as you did when I first met you. Really! You complain, you nag and remind me how much you are taking care of my children like they are not yours as well. Do I think its hard work to raise kids? Yes, of course and I respect that but my contributions make it easier whether you care to admit it or not. Forever gossiping about me with your mother and sisters is not the same as having someone to feed you. You a housewife yet we still have a nanny at home! If she wasn't that old I would probably sleep with her too because you can hardly wipe your ass the way you are lazy! You only have energy to go to church. The sex is dead and you just lie there making it a chore and I even feel guilty bringing it up. Anyway I am getting excited let me start from the beginning...

Killer Kubista Mark Kubista,2019-08-07 This is a story written primarily for the grandchildren of Robert T Arizona Bob Kubista It covers the period during which their grandfather served before during and after the World War II I doubt any of them have any real idea of what he did or where he was And WWII is something the younger generations just don t know about The sources for all this come from the stories my father shared with me my brother sister and mother Other sources include the hundreds of letters my father wrote to his fianc my mother Leona as well

as to his own parents Since they were written at the time the events occurred or within a day or two these letters are invaluable in verifying dates times places and events Bob probably did no more nor any less than anyone of the 6 million who served in uniform during WWII But his story deserves to be told as well as all the other stories written or as yet unrecorded I hope this book encourages others to capture the events of their own families if for no other reason than to provide their children and grandchildren with a legacy , **A New English Dictionary on Historical Principles: part 1.
