Diary of a City Priest John P. McNamee, 1995-05 The diary of a man trying to live within his religious faith while dealing with the harsh realities of urban America **The Diary of a City Priest** Jay H. Gordon, 2024-07-28 This the personal story of an Episcopal priest who worked in Newark Harlem and the Upper West Side of Manhattan during the turbulent times of the 1960s and 70s He offers his reflections on the many social and theological changes that took place during the past 60 years and how he has inter acted with the everchanging roles of women Blacks and gay persons The Pain and the Privilege Joseph Gallagher, 1983 *Diary of a City Priest* Pastor Juventus, 2008 **Diary of a City Priest** Dominic Allain, 2017-10-26 This book presents a selection of the best of the weekly Pastor Iuventus columns from The Catholic Herald Arranged over a year the columns give us a true life picture of the ministry of a parish priest in a busy city The diary convincingly conveys the tangible and day to day reality of a priest s life and work The journal is about the endless fascinations of parish life the highs and lows births and deaths new challenges and amongst all these the quiet presence of God The author tells it as it is with candour and insight but also with humour and brilliance Through the everyday life of the parish the local hospital and the school we are given an intimate portrayal of real life The reader will be moved and inspired by the beauty and depth of these weekly columns As the year unfolds the journal reminds us of the closeness of the Providence of God to every human life As Dr William Oddie says in the Foreword to the first edition Father Allain s diary column provides readers with an often vivid inside track on the spiritual life of a parish priest in a way which certainly conveys its pressures and difficulties but which also nurtures the spiritual imagination of its readers by demonstrating that those pressures and difficulties can always with a simple and basic faith in the realities of a working Catholic spirituality be withstood and transcended Fr Dominic Allain was ordained priest for the Archdiocese of Southwark Now the International Pastoral Director for Grief to Grace a programme which brings spiritual and psychological healing to survivors of sexual and other abuse www.griegtograceuk.org he also works as a retreat giver and spiritual director This book draws on his experiences as a parish priest and hospital chaplain in the London area He is well known to many through his weekly columns Pastor Iuventus in The Catholic Herald Diary of a City Priest , 2003-01-01 An inside look at the emotional and spiritual struggles and joys of an extraordinary priest called to serve in one of Philadelphia s toughest neighborhoods Faced with gangs proverty drugs and an often felt feeling of hopelessness Father Mac is a tireless crusader handing out food to the poor interceding with colleges on behalf of promising students and occasionally bailing out neighborhood kids from night court **Diary of a City Priest (1915)** John J. MacLavery, 2009 *In the Kingdom of the Lonely God* Robert Griffin, 2003 In a writing style that captivates with its almost poetic insight and lustre Griffin writes about life s toughest troubles and offers encouragement for fortitude compassion grace and peace Christians in the Movies Peter E. Dans, 2009-05-16 *Christians in the Movies* traces the arc of the portrayal in film of Christians from 1905 to the present For most of the first six

decades the portrayals were favorable and even reverential By contrast from 1970 on Christians have often been treated with hostility and often outright ridicule This book explores this shift through in depth reviews and commentaries on 100 important films as well as briefer discussions of about 75 additional Christian themed films Peter E Dans examines various causative factors for this change such as the abolition of the Hays Motion Picture Production Code the demise of the Catholic Legion of Decency and the associated profound societal and cultural changes From a look at the real story behind the Scopes trial to portraits of actors directors and writers most prominently associated with films involving Christians and Christianity Christians in the Movies provides a great resource for those who wish to select films for showing at churches universities or for personal viewing and critical examination of the recent cultural movements and thought **Catholics and**

Contraception Leslie Woodcock Tentler, 2018-09-05 As Americans rethought sex in the twentieth century the Catholic Church's teachings on the divisive issue of contraception in marriage were in many ways central In a fascinating history Leslie Woodcock Tentler traces changing attitudes from the late nineteenth century when religious leaders of every variety were largely united in their opposition to contraception to the 1920s when distillations of Freud and the works of family planning reformers like Margaret Sanger began to reach a popular audience to the Depression years during which even conservative Protestant denominations quietly dropped prohibitions against marital birth control Catholics and Contraception carefully examines the intimate dilemmas of pastoral counseling in matters of sexual conduct Tentler makes it clear that uneasy negotiations were always necessary between clerical and lay authority As the Catholic Church found itself isolated in its strictures against contraception and the object of damaging rhetoric in the public debate over legal birth control support of the Church's teachings on contraception became a mark of Catholic identity for better and for worse Tentler draws on evidence from pastoral literature sermons lay writings private correspondence and interviews with fifty six priests ordained between 1938 and 1968 concluding the recent history of American Catholicism can only be understood by taking birth control into account
