Diary Tour Through Great Britain:

Diary of a Tour Through Great Britain William Macritchie, 2018-02-03 Excerpt from Diary of a Tour Through Great Britain In 1895 Science Classes at St Andrews there is no special reference to Theology until the year 1777 when he was apparently present at the anni versary Meeting of the Theological Society Edinburgh From this there can be little doubt that he studied Divinity at the University of Edinburgh but as the University records do not preserve the names of the theological students at that period the inference cannot be positively verified While at Edinburgh he also attended Professor John Walker s Natural History Class 1 as is shown by his careful record of the successive lectures sixty seven in number written for the most part in shorthand Nor were his studies confined to the Universities of St Andrews and Edinburgh for a later note book testifies that he was a member of Professor William Hamilton s Anatomy Class at Glasgow University in the session of 1782 1783 It will thus be seen that his tastes were varied and comprehensive and in indulging these he laid in a miscellaneous stock of knowledge which unconsciously enabled him to make his Diary more attractive and interesting than it might otherwise have been About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
