Dickinson Unbound Paper Process Poetics By Socarides Alexandra 2014 07 01 Paperback:

Dickinson Unbound Alexandra Socarides, 2014-07-01 Rich in archival research Dickinson Unbound is the first authoritative study of Emily Dickinson's material and compositional methods **The Oxford Handbook of Emily**

Dickinson Cristanne Miller, Karen Sánchez-Eppler, 2022-04-11 The Oxford Handbook of Emily Dickinson is designed to engage inform interest and delight students and scholars of Emily Dickinson of nineteenth century US literature and cultural studies of American poetry and of the lyric It also establishes potential agendas for future work in the field of Dickinson studies This is the first collection on Dickinson to foreground the material and social culture of her time while opening new windows to interpretive possibility in ours The volume strives to balance Dickinson's own center of gravity in the material culture and historical context of nineteenth century Amherst with the significance of important critical conversations of our present thus understanding her poetry with the broadest Latitude of Home as she puts it in her poem Forever is composed of News Debates about the lyric about Dickinson's manuscripts and practices of composition about the viability of translation across language media and culture and about the politics of class gender place and race circulate through this volume These debates matter to our moment but also to our understanding of hers Although rooted in the evolving history of Dickinson criticism the chapters foreground truly new original research and a wide range of innovative critical methodologies including artistic responses to her poetry by musicians visual artists and other poets The suppleness and daring of Dickinson's thought and uses of language remain open to new possibilities and meanings even while they are grounded in contexts from over 150 years ago and this collection expresses and celebrates the breadth of her accomplishments and relevance Emily

Dickinson Ann Beebe, 2022-03-03 The public is familiar with the Emily Dickinson stereotype an eccentric spinster in a white dress flitting about her father's house hiding from visitors But these associations are misguided and should be dismantled This work aims to remove some of the distorted myths about Dickinson in order to clear a path to her poetry The entries and short essays should open avenues of debate and individual critical analysis This companion gives both instructors and readers multiple avenues for study The entries and charts are intended to prompt ideas for classroom discussion and syllabus planning Whether the reader is first encountering Dickinson's poems or returning to them this book aims to inspire interpretative opportunities The entries and charts make connections between Dickinson poems ponder the significance of literary artistic historical political or social contexts and question the interpretations offered by others as they enter the never ending debates between Dickinson scholars *The Literary Gift in Early America* David Faflik, 2025-03-18 Some of the most meaningful moments in early American literature relied on historical patterns of gift exchange David Faflik argues in this compelling book Gift exchange kept a surprising variety of literary objects in circulation across the diverse societies economies and cultures of the Americas from the seventeenth through the nineteenth centuries From the gifting of a Narragansett grammar as a foundational event in the project of colonization in New England to the use of Benjamin Franklin

s Poor Richard s Almanack in the classrooms of an independent Brazil to Catharine Maria Sedgwick s fictions framing literature as the object of middle class gifting chapters offer an interdisciplinary perspective on book history and literary history in the United States and beyond Faflik contends that it is because of the wild ways in which books circulated as gifts that works by Franklin New England colonist Roger Williams Sedgwick Walt Whitman and Emily Dickinson resisted the generic conventions of their day Offering a revisionist account of how literary meaning is made *The Literary Gift in Early America* calls for closer attention to the historical patterns of literary give and take in the Americas

How Romantics and Victorians Organized Information Jillian M. Hess, 2022-07-21 Every literary household in nineteenth century Britain had a commonplace book scrapbook or album Coleridge called his collection Fly Catchers while George Eliot referred to one of her commonplace books as a Quarry and Michael Faraday kept quotations in his Philosophical Miscellany Nevertheless the nineteenth century commonplace book along with associated traditions like the scrapbook and album remain under studied This book tells the story of how technological and social changes altered methods for gathering storing and organizing information in nineteenth century Britain As the commonplace book moved out of the schoolroom and into the home it took on elements of the friendship album At the same time the explosion of print allowed readers to cheaply cut and paste extractions rather than copying out quotations by hand Built on the evidence of over 300 manuscripts this volume unearths the composition practices of well known writers such as Samuel Taylor Coleridge Sir Walter Scott George Eliot and Alfred Lord Tennyson and their less well known contemporaries Divided into two sections the first half of the book contends that methods for organizing knowledge developed in line with the period s dominant epistemic frameworks while the second half argues that commonplace books helped Romantics and Victorians organize people Chapters focus on prominent organizational methods in nineteenth century commonplacing often attached to an associated epistemic virtue diaristic forms and the imagination Chapter Two real time entries signalling objectivity Chapter Three antiquarian remnants serving as empirical evidence for historical arguments Chapter Four communally produced commonplace books that attest to socially constructed knowledge Chapter Five and blank spaces in commonplace books of mourning Chapter Six Richly illustrated this book brings an archive of commonplace books scrapbooks and albums to the reader

The New Emily Dickinson Studies Michelle Kohler, 2019-05-16 This collection presents new approaches to Dickinson informed by twenty first century theory and methodologies The book is indispensable for Dickinson scholars and students at all levels as well as scholars specializing in American literature poetics ecocriticism new materialism race disability studies and feminist theory

Sensory Experiments Erica Fretwell, 2020-09-14 In *Sensory Experiments* Erica Fretwell excavates the nineteenth century science of psychophysics and its theorizations of sensation to examine the cultural and aesthetic landscape of feeling in nineteenth century America Fretwell demonstrates how psychophysics a scientific movement originating in Germany and dedicated to the empirical study of sensory experience shifted the understandings of feeling from the epistemology of sentiment to the

phenomenological terrain of lived experience Through analyses of medical case studies spirit photographs perfumes music theory recipes and the work of canonical figures ranging from Kate Chopin and Pauline Hopkins to James Weldon Johnson and Emily Dickinson Fretwell outlines how the five senses became important elements in the biopolitical work of constructing human difference along the lines of race gender and ability In its entanglement with social difference psychophysics contributed to the racialization of aesthetics while sketching out possibilities for alternate modes of being over and against the figure of the bourgeois liberal individual Although psychophysics has largely been forgotten Fretwell demonstrates that its importance to shaping social order through scientific notions of sensation is central to contemporary theories of new materialism posthumanism aesthetics and affect theory

The New Emily Dickinson Studies Michelle Kohler,2019-05-16 This collection presents new approaches to Emily Dickinson s oeuvre Informed by twenty first century critical developments the Dickinson that emerges here is embedded in and susceptible to a very physical world and caught in unceasing interactions and circulation that she does not control The volume s essays offer fresh readings of Dickinson s poetry through such new critical lenses as historical poetics ecocriticism animal studies sound studies new materialism posthumanism object oriented feminism disability studies queer theory race studies race and contemporary poetics digital humanities and globalism These essays address what it means to read Dickinson in braille online graffitied and internationally alongside the work of poets of color Taken together this book widens our understanding of Dickinson s readerships of what the poems can mean and for whom

Emily Dickinson and the Problem of Genre Alexandra Socarides,2007

The Language of Emily Dickinson Nicole Panizza,Trisha Kannan,2021-01-05 The Language of Emily Dickinson provides valuable insight into the cryptic complex and unique language of America s premier poet The essays make each subject of exploration accessible to general readers providing sufficient background and contextual information to situate anyone interested in a better understanding of Dickinson s language The collection also makes a substantial contribution to Dickinson studies with new scholarship in philology musicality and manuscript study Cynthia L Hallen creator of the invaluable Emily Dickinson Lexicon offers a detailed examination of Dickinson s words and phrases that are lexically alive and semantically vital Nicole Panizza an accomplished pianist explores Dickinson s poetic relationship with music as bilingual practice Holly L Norton outlines the surprising connections between Dickinson s poetry and rap music and Trisha Kannan contributes to recent discussions regarding Dickinson s fascicles the manuscript books that contain just over 800 of Dickinson s 1 789 poems by reading Fascicle 30 in relation to the work and life of John Keats This book will be of interest to scholars of Emily Dickinson and advanced readers of poetry such as those in upper level undergraduate English courses and graduate students in departments of English as well as to general readers with an interest in Emily Dickinson
