Dictionary Of Major Biblical Interpreters:

Dictionary of Major Biblical Interpreters Donald K. McKim, 2007-11-12 Donald K McKim edits this revised and expanded edition of IVP's Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis **Historical Handbook of Major Biblical Interpreters** Donald K. McKim, 1998 Contributors from both historical and biblical studies profile the methods perspectives and seminal works of major biblical interpreters from the second century to the late twentieth century Includes introductory essays for each period and bibliographies of each interpreter Edited by Donald K McKim **A Guide to Biblical Commentaries and Reference Works, 11th Edition** John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike

Anthony C Thiselton and the Grammar of Hermeneutics Robert Knowles, 2014-07-08 A provisional and preliminary attempt to show how the formative hermeneutical thinking of Anthony C Thiselton once systematized and critiqued can begin to resolve the major problems found in the discipline of hermeneutics today most notably its varying disunities theoretical practical and inter disciplinary This book aims to show that the formative thinking of Anthony C Thiselton provides valuable insights for a programmatic construction towards a unified hermeneutical theory This construction provides powerful keys for unlocking six contemporary problems in hermeneutics disorganization complexity abstraction theoretical disunity on several levels inter disciplinary polarization and irresponsible interpretation Robert Knowles exhaustive analysis engages critically and creatively **A Guide to Biblical Commentaries and Reference Works** John F. Evans, 2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author's names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years **Interpreting the Old Testament Theologically** Andrew T. Abernethy, 2018-12-18 How should Christians read the Old Testament today Answers to this question gravitate between two poles On the one hand some pay little attention to the gap between the Old Testament and today reading the Old Testament like a devotional allegory that points the Christian directly to Jesus On the

other hand there are folks who prioritize an Old Testament passage's original context to such an extent that it is by no means clear if and how a given Old Testament text might bear witness to Christ and address the church. This volume is a tribute to Willem A. VanGemeren, an ecclesial scholar who operated amidst the tension between understanding texts in their original context and their theological witness to Christ and the church. The contributors in this volume share a conviction that Christians must read the Old Testament with a theological concern for how it bears witness to Christ and nourishes the church while not undermining the basic principles of exegesis. Two questions drive these essays as they address the topic of reading the Old Testament theologically: Christology: If the Old Testament bears witness to Christ, how do we move from an Old Testament text, theme, or book to Christ? Ecclesiology: If the Old Testament is meant to nourish the church, how do scriptures originally given to Israel address the church today? The volume unfolds by first considering exegetical habits that are essential for interpreting the Old Testament theologically. Then several essays wrestle with how topics from select Old Testament books can be read theologically. Finally, it concludes by addressing several communal matters that arise when reading the Old Testament theologically.

The Oxford Handbook of Feminist Approaches to the Hebrew Bible

Susanne Scholz, 2020-12-31. The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies. Organized into four major areas: globalization, neoliberalism, media, and intersectionality, the essays collectively provide vibrant, relevant, and innovative contributions to the field. The topics of analysis focus heavily on gender and queer identity, with essays touching on African, Korean, and European feminist hermeneutics, womanist and interreligious readings, ecofeminist and animal biblical studies, migration biblical studies, the role of gender binary voices in evangelical egalitarian approaches, and the examination of scripture in light of trans women's voices. The volume also includes essays examining the Old Testament as recited in music, literature, film, and video games. The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally, hermeneutically, and exegetically cutting-edge path for the ongoing development of biblical studies grounded in feminist, womanist, gender, and queer perspectives.

How to Read Theology for All Its Worth

Karin Stetina, 2020-09-15. The Guide You Need to Read Theology Well. Too many Christians avoid reading theology for fear they won't understand it, or out of a misconception that it's only meant for the academic elite. Similarly, students in introductory theology classes can feel overwhelmed by the concepts and terminology they encounter. Yet theology can be read with enjoyment and discernment. In *How to Read Theology for All Its Worth*, professor, author, and devoted reader Karin Stetina introduces students to the basic skills of intelligent reading applied especially to theological works. Anyone who'd like to read theology well, whether a formal student or interested layperson, will benefit from the simple steps Stetina outlines. Steps include: Identifying genre; Becoming acquainted with the author and the context out of which he or she wrote; Determining a thesis and main arguments. *How to Read Theology for All Its Worth* will equip readers not only to understand

theology but also to insightfully engage authors ideas With the basic tools in hand everyone can read with confidence and enjoy conversations with theological works **Reading with the Faithful** Seth B. Tarrer, 2013-01-10 If therefore someone is a prophet he no doubt prophesies but if someone prophesies he is not necessarily a prophet Origen Origen writing sometime in the mid third century on the Gospel of John has charted a course for the subsequent history of interpretation of true and false prophecy Although Tarrer s study is concerned primarily with various readings of Jeremiah s construal of the problem the ambiguity inherent in Origen s statement is glaring nonetheless This monograph is a study of the history of interpretation It therefore does not fit neatly into the category of Wirkungsgeschichte Moving through successive periods of the Christian church s history Tarrer selects representative interpretations of Jeremiah and Ezekiel in later theological works dealing explicitly with the question of true and false prophecy in an effort to present a sampling of material from the span of the church s existence As evidenced by the list of false prophets uncovered at Qumran along with the indelible interpretive debt owed by Christian interpreters such as Jerome and Calvin to Jewish exegetical methods Jewish interpretation s vast legacy quickly exceeds the scope of this project From the sixteenth century onward the focus on the Protestant church is again due to economy In the end Tarrer concludes that the early church and pre modern tradition evidenced a recurring appeal to some form of association between Jeremiah 28 and the deuteronomic prophetic warnings in Deuteronomy 13 and 18 *1 Corinthians* Scott M. Manetsch, 2017-04-25 This volume of the Reformation Commentary on Scripture edited by Scott Manetsch provides Reformation era biblical commentary on Paul s first letter to the church in Corinth Drawing on Lutheran Reformed Anglican Radical and Roman Catholic resources it reveals the richness of early modern biblical exegesis for the renewal of the church today

Right here, we have countless ebook **Dictionary Of Major Biblical Interpreters** and collections to check out. We additionally provide variant types and plus type of the books to browse.
