Calvin And The Biblical Languages:

Calvin and the Biblical Languages John D. Currid, 2006 If you want your sermons and Bible studies to have greater insight and authority then Calvin is an excellent encourager John Currid shows how Calvin used knowledge of the Biblical languages to provide richness depth and accuracy to his understanding of Scripture and his exposition of it **Calvin's Company of Pastors** Scott M. Manetsch, 2015 In Calvin's Company of Pastors Scott Manetsch examines the pastoral theology and practical ministry activities of Geneva's reformed ministers from the time of Calvin's arrival in Geneva until the beginning of the seventeenth century During these seven decades more than 130 men were enrolled in Geneva's Venerable Company of Pastors as it was called including notable reformed leaders such as Pierre Viret Theodore Beza Simon Goulart Lambert Daneau and Jean Diodati Aside from these better known epigones Geneva's pastors from this period remain hidden from view cloaked in Calvin's long shadow even though they played a strategic role in preserving and reshaping Calvin's pastoral legacy Making extensive use of archival materials published sermons catechisms prayer books personal correspondence and theological writings Manetsch offers an engaging and vivid portrait of pastoral life in sixteenth and early seventeenth century Geneva exploring the manner in which Geneva's ministers conceived of their pastoral office and performed their daily responsibilities of preaching public worship moral discipline catechesis administering the sacraments and pastoral care Manetsch demonstrates that Calvin and his colleagues were much more than ivory tower theologians or quasi agents of the state concerned primarily with dispensing theological information to their congregations or enforcing magisterial authority Rather they saw themselves as spiritual shepherds of Christ's Church and this self understanding shaped to a significant degree their daily work as pastors and preachers **Themelios, Volume 37, Issue 1** D. Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary *Divine Accommodation in John Calvin's Theology* Arnold Huijgen,2011-04-20 Arnold Huijgen analyses und assesses the idea of divine accommodation in John Calvin s theology He proves that Calvin s idea of accommodation was terminologically influenced by Erasmus while its content originated in patristic theology Though Calvin s idea of accommodation is multifaceted Huijgen subsumes and analyzes it in the light of the two main perspectives of pedagogy and revelation The pedagogical aspect relates to Calvin s understanding of salvation history and the relation between the Old and the New Testament In this perspective Christ as the mediator holds a central position The aspect of revelation focuses on Calvin s comprehension of God s nature which for him is behind God s revelation Calvin s understanding of accommodation implies a distinct dynamic to revelation which is disrupted by its static hierarchical ontology Huijgen points out the weaknesses of Calvin s idea of accommodation on the basis of modern critiques by Karl Barth Isaak August Dorner and Harry M Kuitert he also explores the viable points for present day theology Calvin's Catholic Christology Edward David Willis,2022-07-11 *A History of Biblical Interpretation, Vol. 2* Alan J. Daniel Carroll R.,Vincent E. Bacote,2021-12-29 Human history is the history of migration Never before however have the numbers of people on the move been so large nor the movement as global as it is today How should Christians respond biblically theologically and missiologically to the myriad of daunting challenges triggered by this new worldwide reality This volume brings together significant scholars from a variety of fields to offer fresh insights into how to engage migration What makes this book

especially unique is that the authors come from across Christian traditions and from different backgrounds and experiences each of whom makes an important contribution to current debates How has the Christian church responded to migration in the past How might the Bible orient our thinking What new insights about God and faith surface with migration and what new demands are placed now upon God's people in a world in so much need Global Migration and Christian Faith points in the right direction to grapple with those questions and move forward in constructive ways John Calvin's Exegesis of the Old Testament David L.
