Casebook In Family Therapy Marital Couple Family Counseling:

Casebook in Family Therapy David M. Lawson, Frances F. Prevatt, 1999 This unique book presents actual case transcripts based on 12 different theories of family therapy Each author describes his or her theoretical orientation and then presents transcripts interspersed with commentary on how the model of therapy is expressed in the sessions This blend of theory and practice is ideal for students who understand basic principles of family therapy yet need an illustration of how to put these concepts into practice No other text includes the gamut of family therapy models with specific transcripts of why when how and what therapists say to their clients Clinical Epiphanies in Marital and Family Therapy David A Baptiste, 2014-04-23

How would you handle these situations Check your expertise against the approaches presented here This fascinating collection shows how a practicing therapist handled clients stuck in the therapeutic process *Clinical Epiphanies in Marital and Family Therapy A Practitioner's Casebook of Therapeutic Insights Perceptions and Breakthroughs* presents a cross section of approaches and orientations as they work in practice The families and couples discussed here have experienced a wide range of difficulties and the presenting and commenting therapists run the gamut in age gender race and theoretical orientation The serendipitous turning points presented here are all true case studies but *Clinical Epiphanies in Marital and Family Therapy* offers more than the chance to second guess a single therapist's handling of explosive moments Each case study is also discussed by two other therapists representing divergent points of view This point counterpoint structure allows readers to analyze the effectiveness of different therapeutic approaches and to recognize that in practice heterogeneous orientations may result in similar strategies *Clinical Epiphanies in Marital and Family Therapy* demonstrates the factors that contribute to doing successful therapy including ensuring that clients feel they are being treated with respect establishing a sound therapeutic relationship making successful treatment bargains moving away from your therapeutic agenda when necessary being persistent in the face of a stubborn refusal to change *Clinical Epiphanies in Marital and Family Therapy* offers fresh strategies for experienced practitioners beginning therapists and educators in the field of mental health

Clinical Casebook of Couple Therapy Alan S. Gurman, 2012-11-26 An ideal supplemental text this instructive casebook presents in depth illustrations of treatment based on the most important couple therapy models An array of leading clinicians offer a window onto how they work with clients grappling with mild and more serious clinical concerns including conflicts surrounding intimacy sex power and communication parenting issues and mental illness Featuring couples of varying ages cultural backgrounds and sexual orientations the cases shed light on both what works and what doesn't work when treating intimate partners Each candid case presentation includes engaging comments and discussion questions from the editor See also *Clinical Handbook of Couple Therapy* Fourth Edition also edited by Alan S Gurman which provides an authoritative overview of theory and practice **Case Studies in Couple and Family Therapy** Frank M. Dattilio, 2017-02-13 Featuring case presentations by many of the most distinguished practitioners of couple and family therapy this volume brings to life the

full spectrum of approaches in the field The cases illustrate the principles and techniques of the respective approaches and allow the reader to listen in on highly skilled therapists at work Editor Frank Dattilio comments on each case with a focus on ways to integrate systemic and cognitive behavioral approaches He suggests ways that cognitive principles might usefully be called upon at specific points Responses from contributors consider the benefits of Dattilio's suggestions and elucidate each practitioner's decision making process See also Dattilio's authored book *Cognitive Behavioral Therapy with Couples and Families* which combines the empirical research base with practical clinical guidance
