Casino Management in Integrated Resorts

Desmond Lam, 2019-06-25 Casino Management in Integrated Resorts introduces students to the changing nature of casino businesses within the framework of an integrated resort or hospitality organisation In the new integrated casino model casinos play an important role not only in revenue generation but in supporting the other amenities in the resort including bars restaurants hotels and theme parks This book brings readers up to speed with the challenges of managing a casino within this rapidly expanding gaming leisure tourism industry It covers a range of essential topics such as the basic psychology of casino gaming the role and history of casinos within an integrated resort staffing floor design table and slot game management control and security marketing and social impact Written in an accessible style this book is suitable for readers with no prior knowledge of or experience in casino operations It will be an essential introductory yet comprehensive resource for all those undertaking casino management courses

How I built an Integrated Resort

Daniel Cheng, 2024-09-11 Not all integrated resorts are created equal What are the essential components of a truly integrated resort The answer lies in the key elements that allow a resort to achieve full integration Only through this does an integrated resort reach its maximum potential To achieve this the principles of integration must extend beyond the resort's boundaries How I Built an Integrated Resort is the definitive handbook that reveals the secrets behind successful integrated resorts It distinguishes the genuine from the imitators This guide outlines the blueprint for a robust IR industry and details the who what why and how of the entire integrated resort lifecycle from ideation to planning execution design and implementation Only then can it transcend the limitations of traditional definitions where the whole is greater than the sum of its parts This book is an essential read for Integrated Resort Operators Government Policymakers Hospitality Developers Investors Academic Researchers Stakeholders in the Gaming and Hospitality industry

Casino Accounting and Financial Management

E. Malcolm Greenlees, 2008-10-01 In this work author E Malcolm Greenlees provides detailed information about the role of state governments in the regulation of gaming He also discusses the dominance of slot machines as the major revenue source in most casinos he provides information about changes in the types and operation of slot machines as well as accounting procedures for slot revenues The book covers every aspect of the financial management of a casino from the details of licensing and regulation to revenue taxation the management of slot machines and other gaming devices table games and betting operations revenue flows and internal cash controls cashiering accounting and financial reporting Casino Accounting and Financial Management has been recognized as the essential manual for gaming industry professionals since

its first publication in 1988 This 2008 edition is updated throughout and greatly expands the original text addressing growth and changes in the casino industry as gaming has spread into new venues both nationwide and internationally incorporated new games and new technology and become subject to new management policies and new government regulations

Casino Gambling Dennis R. Harrison, 2000 A professional gambler offers his secrets for winning at all major casino games with tips on betting strategies successful money management and self control under pressure 64 illustrations
