## **Dangerous Offenders Punishment And Social Order:**

**Dangerous Offenders** Mark Brown, John Pratt, 2002-01-04 This highly controversial new book considers how the dangerous offender has become such a figure of collective anxiety for the citizens of rationalised Western societies The authors consider ideas of danger and social threat in historical perspective legal responses to violent criminals attempts to predict dangerous behaviour why particular groups such as women remain at risk from violent crime This inspired collection invites us to rethink the received wisdom on dangerous offenders and will be of interest to students and scholars in the fields of criminology and the sociology of Risk

**Dangerousness, Risk and the Governance of Serious Sexual and Violent Offenders** Karen Harrison, 2012-03-29 Dangerousness Risk and the Governance of Serious Sexual and Violent Offenders is a fully up to date comprehensive and user friendly guide on those offenders who are often assessed as being dangerous Outlining evaluating and commenting on specific methods regimes and strategies for dealing with dangerous offenders throughout each chapter this book begins by considering what a dangerous offender is and providing a brief historical account of how the label has been used for different types of offender over the last three or four centuries The book examines sentencing policy in addition to early and current dangerousness legislation evaluating the available sentences specifically designed for dangerous offenders and assessing their use and appropriateness The role of risk and risk assessment tools is discussed considering what risk assessment is the way in which it works and how over recent times it has become more reliable and valid It looks at the practical realities of how serious sexual and violent offenders are dealt with by the penal system in England and Wales Finally specific offender groups are considered including female offenders children and young people and mentally disordered offenders Each chapter considers whether there are any differences in terms of policy assessment and management strategies when sentencing and managing each distinct group and if not whether any such modifications are required This book will be key reading for students of law criminology social policy psychology and sociology and of interest to criminal justice professionals including the police prison officers probation officers psychologists lawyers and judges

**History & Crime** Thomas J. Kehoe, Jeffrey E. Pfeifer, 2021-09-15 Revealing the cross utility potential of multiple disciplines to advance knowledge in crime studies History Crime showcases new research into crime from across the interdisciplinary perspectives of early modern and modern history criminology forensic psychology and legal studies

**Understanding the Management of High Risk Offenders** Hazel Kemshall, 2008-09-16 This is an extremely important and timely book written by a pre eminent scholar in the field Hazel Kemshall has a proven track record not just of exceptional scholarship but equally importantly of engaging effectively with policy and practice Given the damaging synergies between media hype and public insecurities about dangerous offenders the evidence based measured and thoughtful analysis provided in this book provides a vital counterpoint to increasingly punitive and exclusionary discourses around public protection In promoting a more balanced humane and integrative approach to risk the book deserves to influence not just scholars but also

policy makers and practitioners facing the complex challenges of managing risk and dangerousness Fergus McNeill Associate Fellow of the Centre for Sentencing Research Strathclyde University UK High risk offenders have attracted much media policy and practice interest in recent years New legislation and extensive multi agency partnerships have been initiated to improve the assessment and management of these offenders in the community Drawing on a wide range of cross national literature and original research by the author this timely book reviews current approaches to the community management of high risk offenders The book examines in detail a range of risk management techniques including Community protection measures such as sexual offender registration and community notification Restorative and re integrative measures such as Circles of Support and Accountability pro social modelling public health campaigns and environmental risk management approaches Hazel Kemshall argues for a blending of these two approaches to provide risk management interventions for the protective integration of high risk offenders back into the community In addition the book examines contemporary difficulties in risk assessment effective multi agency partnership working and recent policy and legislative initiatives in this challenging area of work Understanding the Management of High Risk Offenders is a vital resource for criminology and criminal justice students and stimulating reading for probation officers social workers police and prison staff among others

*The Limits of Criminological Positivism* Michele Pifferi, 2021-10-30 The Limits of Criminological Positivism The Movement for Criminal Law Reform in the West 1870 1940 presents the first major study of the limits of criminological positivism in the West and establishes the subject as a field of interest The volume will explore those limits and bring to life the resulting doctrinal procedural and institutional compromises of the early twentieth century that might be said to have defined modern criminal justice administration The book examines the topic not only in North America and western Europe with essays on Italy Germany France Spain the United Kingdom Belgium and Finland but also the reception and implementation of positivist ideas in Brazil In doing so it explores three comparative elements 1 the differing national experiences within the civil law world 2 differences and similarities between civil law and common law regimes and 3 some differences between the two leading common law countries It interrogates many key aspects of current penal systems such as the impact of extra legal scientific knowledge on criminal law preventive detention the dual track system with both traditional punishment and novel measures of security the assessment of offenders dangerousness juvenile justice and the indeterminate sentence As a result this study contributes to a critical understanding of some inherent contradictions characterizing criminal justice in contemporary western societies Written in a straight forward and direct manner this volume will be of great interest to academics and students researching historical criminology philosophy political science and legal history Chapter 2 of this book is available for free in PDF format as Open Access from the individual product page at [www.routledge.com](http://www.routledge.com) It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

*Risk in Social Science* Peter Taylor-Gooby, Jens O. Zinn, 2006-10-05 Intended for students and scholars from the social sciences this is an

introduction to work on risk It discusses the basic issues in risk research and examines some of the key themes in this field looking at topics such as the media crime the environment and social inequality *The Preventive Turn in Criminal Law* Henrique Carvalho, 2017-04-14 This book presents a theoretical examination of the rise and expansion of preventive criminal offences that has gained momentum in Anglo American criminal justice since the late twentieth century It shows how recent transformations in criminal law and justice are intrinsically related to and embedded in the way liberal society and liberal law have been imagined developed and conditioned by their social political and historical contexts The book starts by identifying a tension within contemporary criminal law between the importance given to the expression of individual autonomy and responsibility and the perceived need for prevention as a condition for the security of autonomy and the promotion of welfare The book then traces this tension back to an intrinsic ambivalence within the modern conception of individual liberty which is both repressed and preserved by liberal conceptions of responsibility and punishment It finds that it is this tension that ultimately grounds the rise of preventive criminal offences in recent times The Preventive Turn in Criminal Law engages with the main contemporary literature on criminal law prevention risk security and criminalisation by deploying a theoretical perspective from both classical and contemporary works of social and political theory including the works of Hobbes Locke Hegel and Bentham It does so in order to reveal that the pervasiveness of prevention in twenty first century criminal law not only represents the consequence of new and unprecedented features of contemporary politics and society but also embeds long established features of the liberal legal and political tradition

**Managing Persistent and Serious Offenders in the Community** Robin Moore, Emily Gray, Colin Roberts, Emily Taylor, Simon Merrington, 2013-06-17 Over the last few years intensive community programmes for both young and adult offenders have become established in the UK as an important new component of penal policy the ISSP Intensive Supervision and Surveillance Programme for persistent and serious young offenders and the ICCP Intensive Control and Change Programme for adult offenders Expectations of these programmes have been high but the evidence relating to their effectiveness is mixed and a number of critical concerns have emerged This book seeks to address these issues providing a timely review of the current literature and presents findings of a recent national evaluation of ISSP Emerging lessons for future penal policy are presented and set within a wider theoretical context The book concludes by stressing the need for greater realism and further evidential support if such programmes are to gain long term credibility and also to consider the appropriateness of differing forms of targeting as well as the emphasis placed on the various methods of surveillance

*Crime and Security* Lucia Zedner, 2017-07-05 The pursuit of security is now central to the development of public policy and a driving force behind the spread of private policing Just as new theoretical frameworks are needed to deal with the increasing tendency of crime control policies to focus on risk reduction new forms of governance are also required to deal with the rapid growth of the private security industry This volume brings together a wide range of contributions from leading scholars in the field and includes international and comparative perspectives on the challenges

posed by the rise of the security society      *Security and Human Rights* Benjamin Goold, Liora Lazarus, 2007-06-07 In the wake of the events of September 11th the task of reconciling issues of security with a respect for fundamental human rights has emerged as one of the key challenges facing governments throughout the world Although the issues raised by the rise of security have been the subject of considerable academic interest to date much of the debate surrounding the impact of security on human rights has taken place within particular disciplinary confines In contrast this collection of essays from leading academics and practitioners in the fields of criminal justice public law international law international relations and legal philosophy offers a genuinely multidisciplinary perspective on the relationship between security and human rights In addition to exploring how the demands of security might be reconciled with the desire to protect established rights *Security and Human Rights* offers a fresh perspective on the broader legal and political challenges that lie ahead as states attempt to control crime prevent terrorism and protect their citizens

If you ally habit such a referred **Dangerous Offenders Punishment And Social Order** book that will have the funds for you worth, acquire the unquestionably best seller from us currently from several preferred authors. ### **Dangerous Offenders Punishment And Social Order Introduction**

In today's digital age, the availability of Dangerous Offenders Punishment And Social Order books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dangerous Offenders Punishment And Social Order books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dangerous Offenders Punishment And Social Order books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dangerous Offenders Punishment And Social Order versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dangerous Offenders Punishment And Social Order books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dangerous Offenders Punishment And Social Order books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dangerous Offenders Punishment And Social Order books and manuals is Open Library. Open Library is

an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dangerous Offenders Punishment And Social Order books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dangerous Offenders Punishment And Social Order books and manuals for download and embark on your journey of knowledge?

### FAQs About Dangerous Offenders Punishment And Social Order Books

**What is a Dangerous Offenders Punishment And Social Order PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Dangerous Offenders Punishment And Social Order PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Dangerous Offenders Punishment And Social Order PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Dangerous Offenders Punishment And Social Order PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to

export or save PDFs in different formats. **How do I password-protect a Dangerous Offenders Punishment And Social Order PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
