

DIAMOND

The background of the cover is a dark, textured blue. A bright, high-pressure water jet is shown polishing a large, rough, light-blue diamond in the center. The jet creates a misty spray of water droplets. In the foreground, several smaller, cut diamonds of various shapes and sizes are scattered on the dark surface. A thin red horizontal line runs across the top of the image, passing behind the title box.

Diamond: A Journey to the Heart of an Obsession Matthew Hart,2002-08 Combining history science business and adventure Diamond captures the essence of this priceless gem and the world that surrounds it **Diamond Stories** Renée Rose Shield,2018-07-05 Sequestered within the heart of a cosmopolitan city is an exotic world a place where diamonds astronomically priced are bought and sold on the strength of a handshake and business disputes are resolved according to ancient Jewish principles of arbitration Yet it is also a modern industry facing the same fundamental global changes affecting all businesses today In Diamond Stories Ren e Rose Shield leads us into the unexamined realm of wholesale diamond traders in New York Related to several well respected traders she had unprecedented access to a society normally closed to outside inquiry Here she deftly blends her personal relationship and her anthropological training to provide an insightful exploration of this tradition bound industry the new challenges it faces and the ways both industry and individuals adapt to and endure change Shield begins with a fascinating history of diamond mining combining the story of the De Beers cartel the role of Jews in the trade and the part diamonds have played both in war and liberation Throughout she incorporates commentary by current diamond traders Succeeding chapters explore the evolving nature of both the global trade and the New York diamond district Shield takes a close look at the increasingly complex ethnic makeup of the district illuminates the rarely documented work done by women chronicles the resilient system of arbitration and reveals the ways in which many traders work well into their eighties and nineties Their long lives of work cushioned by the trade s social environment offer hints for successful aging in general

Illicit Flows and Criminal Things Willem van Schendel,Itty Abraham,2005-11-04 Illicit Flows and Criminal Things offers a new perspective on illegal transnational linkages international relations and the transnational The contributors argue for a nuanced approach that recognizes the difference between organized crime and the thousands of illicit acts that take place across national borders every day They distinguish between the illegal prohibited by law and the illicit socially perceived as unacceptable which are historically changeable and contested Detailed case studies of arms smuggling illegal transnational migration the global diamond trade borderland practices and the transnational consumption of drugs take us to Asia Africa Latin America Europe and North America They allow us to understand how states borders and the language of law enforcement produce criminality and how people and goods which are labeled illegal move across regulatory spaces **The Golden Rule** Jim Gibbons,2010-04-07 Everything the independent investor needs to know to effectively invest in gold With today s increasing economic uncertainties a strong investment strategy is to put a portion of your net worth in gold However given investors overall lack of knowledge about gold as an investment as wealth insurance or as a store of value many are hesitant to enter this arena That s why Jim Gibbons has

created The Golden Rule This book answers many questions including How do you purchase gold and in what form Why gold now When should you buy And most importantly from whom Throughout the book Gibbons puts gold in perspective and shows you why it belongs in every investor s portfolio Provides practical gold investment insights from New York Times bestsellers Peter Schiff William Bonner Doug Casey Addison Wiggin and James Turk as well as from leading experts in this field including Congressman Ron Paul Rick Rule Adrian Day and many others Demystifies gold by putting it in the context of twenty first century economic realities Highlights a variety of ways to invest in gold from mining stocks to buying gold coins and bullion With the financial markets more erratic than ever gold appeals to investors looking for a safe haven for their assets With The Golden Rule as your guide you ll quickly learn how to make the best decisions possible with regards to this precious commodity

The Irish Game Matthew Hart,2009-05-26 In the annals of art theft no case has matched for sheer criminal panache the heist at Ireland s Russborough House in 1986 The Irish police knew right away that the mastermind was a Dublin gangster named Martin Cahill Yet the great plunder including a Gainsborough a Goya two Rubenses and a Vermeer remained at large for years Cahill taunted the police with a string of other crimes but in the end it was the paintings that brought him low The challenge of disposing of such famous works forced him to reach outside his familiar world into the international arena and when he did his pursuers were waiting The movie perfect sting that broke Cahill uncovered an astonishing maze of banking and drug dealing connections that redefined the way police view art theft As if that were not enough the recovery of the Vermeer by then worth 200 million led to a remarkable discovery about the way Vermeer achieved his photographic perspective The Irish Game places the great theft in Ireland s long sad history of violence and follows the thread that led as a direct result of Cahill s desperate adventures with the Russborough art to his assassination by the IRA With the storytelling skill of a novelist and the instincts of a detective Matthew Hart follows the twists and turns of this celebrated case linking it with two other world famous thefts of Vermeer s The Concert and other famous paintings at the Isabella Stewart Gardner Museum in Boston and of Edvard Munch s The Scream at the National Gallery of Norway in Oslo Sharply observed fully explored The Irish Game is a masterpiece in the literature of true crime

Encyclopedia of World Trade: From Ancient Times to the Present Cynthia Clark Northrup,Jerry H. Bentley,Alfred E. Eckes, Jr,Patrick Manning,Kenneth Pomeranz,Steven Topik,2015-04-10 Written for high school or beginning undergraduate students this four volume reference valiantly attempts to provide a historical framework for the perhaps overly broad concept of world trade Entry topics were selected on trade organizations influential people commodities events that affected trade trade routes navigation religion communic

Original Highways Roy MacGregor,2018-05-08 Expanding on his landmark Globe and Mail series in which he documented his travels down sixteen of Canada s great rivers Roy MacGregor tells the story of our country through the stories of its original highways and how they sustain our spirit identity and economy past present and future No country is more blessed with fresh water than Canada From the mouth of the Fraser River in BC to the Bow in Alberta the

Red in Manitoba the Gatineau the Saint John and the most historic of all Canada's rivers the St Lawrence our beloved chronicler of Canadian life Roy MacGregor has paddled sailed and traversed their lengths learned their stories and secrets and the tales of centuries lived on their rapids and riverbanks He raises lost tales like that of the Great Tax Revolt of the Gatineau River and reconsiders histories like that of the Irish would be settlers who died on Grosse Ile and the incredible resilience of settlers in the Red River Valley Along the Grand the Ottawa and others he meets the successful conservationists behind the resuscitation of polluted wetlands including Toronto's Don the most abused river in Canada In the Mackenzie River Valley he witnesses the Dehcho First Nation's effort to block a pipeline they worry endangers the region's lifeblood Long before our national railroad was built rivers held Canada together in these sixteen portraits filled with yesterday's adventures and tomorrow's promise MacGregor weaves together a story of Canada and its ongoing relationship with its most precious resource

Policy Coherence for Development 2007 Migration and Developing Countries

OECD, 2007-11-14 This book takes stock of what we know about the effects of migration on development and distills from that knowledge a set of policy recommendations for sending and receiving countries alike *The Search for Lasting Peace* Rosalind Boyd, 2016-02-17 Presenting the human security agenda as a policy response to the changing nature of violent conflicts and war this collection traces its evolution in relation to conflicts in different contexts Burma India Palestine Canada East Timor Guatemala Peru and African countries and from the perspective of gender addresses initiatives for peace with justice Cases are analysed when the human security agenda including UNSC resolution 1325 was in its initial phase and point to both the weakness of the concept and the unexpected direction it has taken These discussions always relevant are more urgent than ever as gender based violence against women has increased resulting in new UNSC resolutions Some chapters suggest that militarism and economic globalization must be directly confronted Many of the contributors to the volume bridge the gap between academic research and activism as scholar activists with an engaged connection to the situations they are describing Human security remains an active component of policy and academic debates in security studies women's and gender studies development studies history and political economy as well as within NGO communities This rich collection fills a needed gap in the literature and it does so in a language and style that is clear accessible and reader friendly
