The Diamond Sutra Osho,2023-06-29 Before Buddha there were religions but never a pure religiousness Man was not yet mature With Buddha humanity enters into a mature age All human beings have not yet entered into that that s true but Buddha has heralded the path Buddha has opened the gateless gate It takes time for human beings to understand such a deep message Buddha s message is the deepest ever Nobody has done the work that Buddha has done the way he has done Nobody else represents pure fragrance Other founders of religions other enlightened people have compromised with their audience Buddha remains uncompromised hence his purity He does not care what you can understand he cares only what the truth is And he says it without being worried whether you understand it or not In a way this looks hard in another way this is great compassion *The Diamond Sutra* Red Pine,2009-03-01 A masterful translation of the Diamond Sutra an essential Zen Buddhist scripture with insightful commentary and helpful historical context Zen Buddhism is often said to be a practice of mind to mind transmission without reliance on texts in fact some great teachers forbid their students to read or write But Buddhism has also inspired some of the greatest philosophical writings of any religion and two such works lie at the center of Zen The Heart Sutra which monks recite all over the world and The Diamond Sutra said to contain answers to all questions of delusion and dualism This is the Buddhist teaching on the perfection of wisdom and cuts through all obstacles on the path of practice As Red Pine explains The Diamond Sutra may look like a book but it s really the body of the Buddha It s also your body my body all possible bodies But it s a body with nothing inside and nothing outside It doesn t exist in space or time Nor is it a construct of the mind It s no mind And yet because it s no mind it has room for compassion This book is the offering of no mind born of compassion for all suffering beings Of all the sutras that teach this teaching this is the diamond

Diamond Sutra Narratives Chiew Hui Ho,2019-07-08 Contextualizing the sutra within a milieu of intense religious and cultural experimentation this volume unravels the sudden rise of Diamond Sutra devotion in the Tang dynasty against the backdrop of a range of social political and literary activities Through the translation and exploration of a substantial body of narratives extolling the efficacy of the sutra it explores the complex social history of lay Buddhism by focusing on how the laity might have conceived of the sutra and devoted themselves to it Corroborated by various sources it reveals the cult s effect on medieval Chinese religiosity in the activities of an empowered laity who modified and produced parasutrac texts prompting the monastic establishment to accommodate to the changes they brought about *The Diamond Sutra* Mu Soeng,2011-03-17 In this brilliant new translation and commentary on The Diamond Sutra one of the sublime wisdom teachings of Mahayana Buddhism Mu Soeng integrates this ancient wisdom teaching with current scientific and psychological thought His clear and readable commentary traces the connections between these teachings and contemporary theories of quantum reality explores the sutra within the framework of Buddhist meditation practices and provides a comprehensive historical survey of the Mahayana Buddhist tradition Mu Soeng s goal throughout is to reveal the inspiration

and wisdom of The Diamond Sutra to today's reader in an accessible engaging and modern manner **Mechanism of Consciousness During Life, Dream and After-Death** Dukkyu Choi, 2011-02-07 Everybody understands the five consciousnesses which are recognized by the five organs eyes ears nose tongue and skin contacting the five objects color light sound smell taste and tactile objects respectively To human being even sentient being that is not all Everybody knows about the sixth consciousness namely mind In Buddhism the sixth consciousness is explained to be generated from contacting between the sixth organ and the sixth object dharma What is the sixth organ What is the sixth object No more detailed explanation in Buddhism yet However this book provides very clear understanding on the sixth organ sixth object and further mechanism of all consciousnesses Finally you will become to know about Who am I and get Enlightenment In addition this book will contribute to the scientific progress on consciousness One of the author's friends Mr Anjan Sen Patent Attorney in Calcutta reviewed about this book I am really grateful to you for giving me this special opportunity to go through this excellent analytical and logically driven work of yours You deserve special praise and credit for creating such a work inspite of your busy professional schedule which I found not only highly thought provoking but also directional and most importantly has been written in such a lucid form that would make it a ready treat for one and all to read and appreciate the discourse I am overwhelmed by your stupendous efforts *The Diamond Sutra*, 1912 [The Diamond Sutra](#) Osho, 2010-04-01 Written more than 25 centuries ago the Diamond Sutra is the first text to record the Buddha's own teachings and it remains one of the most popular One day after the Buddha finishes his daily walk to collect alms a senior monk steps forth to ask how he can best help humanity Buddha responds and thus begins a dialogue regarding the nature of perception Renowned spiritual teacher Osho offers his unique interpretation of the Buddha's words writing in an easy humorous and conversational style that makes even the most complex ideas understandable *Polishing the Diamond, Enlightening the Mind* Chae-ung Kim, 1999 Polishing the Diamond Enlightening the Mind is an offering of concise teachings stories and meditations from one of Korea's most revered living Buddhist masters It is at once a testament to the vitality of Korean Buddhism today and a timeless expression of the transformative role the Buddha's teachings can play in a person's life [The Diamond Cutter Sutra](#) Khenpo Sodargye, 2020-10-27 Khenpo Sodargye translates and provides commentary on the Diamond Cutter Sutra the oldest printed book in China shedding light on the Buddha's teachings on how to destroy attachment without being led astray the author is a household name in China and his books and CDs sell in the millions in China In the profound teachings of the Diamond Cutter Sutra the Buddha offers a view of the world that deconstructs our normal categories of experience to show us that what we think are real entities in the world are actually our conceptualizations The Buddha teaches us to cut our attachment to all phenomena and to the I which are empty of inherent existence and in so doing cut the root cause of our suffering Yet without wise guidance we may think that because all phenomena are empty there is no need to be attached to virtue and thus we fall into the worst trap of all an attachment to emptiness How do we destroy our attachment without being

led astray With this question in mind Dzogchen Master Khenpo Sodargye provides sparkling commentary on the Diamond Cutter Sutra so that we understand its actual meaning thus preparing us to understand the view of the Great Perfection and Mahamudra Before recognizing the nature of the mind we learn we must hold on to things that are virtuous and right Like a boat these can help us cross a river until we reach the other shore it makes no sense to give them up The Sutra of Hui-neng, Grand Master of Zen Thomas Cleary, 1998-09-14 Hui neng 638 713 is perhaps the most beloved and respected figure in Zen Buddhism An illiterate woodcutter who attained enlightenment in a flash he became the Sixth Patriarch of Chinese Zen and is regarded as the founder of the Sudden Enlightenment school He is the supreme exemplar of the fact that neither education nor social background has any bearing on the attainment of enlightenment This collection of his talks also known as the Platform or Altar Sutra is the only Zen record of its kind to be generally honored with the appellation sutra or scripture The Sutra of Hui neng is here accompanied by Hui neng s verse by verse commentary on the Diamond Sutra in its very first published English translation ever
