Dictionary Of American Regional English Volume Iii I O:

Dictionary of American Regional English: I-O Frederic G. Cassidy, 1985 A compendium of words phrases and local meanings has been culled from years of research using thousands of interviews with representative American communities Online index is at <http://dare.wisc.edu/q/node/18> Dialects in Schools and Communities Walt Wolfram, Carolyn Temple Adger, Donna Christian, 1999-01-01 Text for professionals in ed and related fields addresses natural interest educational concern about dialects by considering some major issues confronting educational practitioners No background in linguistics sociolinguistics is assumed by reader *Word Myths* David Wilton, 2008-11-06 David Wilton debunks the most persistently wrong word histories and gives to the best of our actual knowledge the real stories behind these perennially mis etymologized words In addition he explains why these wrong stories are created disseminated and persist even after being corrected time and time again What makes us cling to these stories when the truth behind these words and phrases is available for the most part at any library or on the Internet *Why Mothers Get Gray* Deborah A. Romesberg, 2019-01-23 At the age of nine Evelyn s mom died leaving Evelyn in the care of her dad their housekeeper and two older brothers Despite the absence of a mother Evelyn blossomed in her surroundings excelling in school and growing up to become a devoted wife and mother of three daughters She poured herself into her family selflessly sacrificing determined to give them the loving instruction she was shown at home and more Along the way Evelyn encountered obstacles that would cause the average person to give up in defeat but not this mom Her gray hair may have been an indication of these rough times in her life but Evelyn drew strength from her faith her family who loved and supported her as well as the many friends she acquired along the way These influences when combined with her sense of humor and enthusiasm for life with all of its challenges enabled her to push onward even when situations seemed hopeless In *Why Mothers Get Gray* author Deborah A Romesberg offers a series of vignettes paying tribute to her mother Evelyn This often humorous memoir reveals the deep impact Evelyn left through her words and actions on those who knew her well African American, Creole, and Other Vernacular Englishes in Education John R. Rickford, 2013 More than 50 years of scholarly attention to the intersection of language and education have resulted in a rich body of literature on the role of vernacular language varieties in the classroom This field of work can be bewildering in its size and variety drawing as it does on the diverse methods theories and research paradigms of fields such as sociolinguistics applied linguistics psychology and education Compiling most of the publications from the past half century that deal with this critical topic this volume includes more than 1600 references books articles in journals or books and web accessible dissertations and other works on education in relation to African American Vernacular English AAVE English based pidgins and creoles Latina o English Native American English and other English vernaculars such as Appalachian English in the United States and Aboriginal English in Australia with accompanying abstracts for approximately a third of them This comprehensive bibliography provides a tool useful for those interested in the complex issue of how

knowledge about language variation can be used to more effectively teach students who speak a nonstandard or stigmatized language variety **Dictionaries** ,2000 **Regional Variation in Written American English** Jack Grieve,2016-01-25
This innovative text is the first to map regional grammatical variation in written Standard American English **Still More Englishes** Manfred Görlach,2002-01-01 This monograph comprises eight papers most of which originated as presentations given at international conferences or guest lectures These papers deal with the problematic nature of English as a global language and discuss what makes texts authentic and reliable for linguistic analysis Scots in Ulster and in Scotland forms and functions of English in Southeast Asia the spread of rhyming slang and varieties of ELT The volume concludes with an annotated bibliography of the most important publications devoted to varieties of English around the world **Humanities** ,2002 **I-O.** ,1996
