[Edited by] Jan Hulsker* Vincent van Gogh, Jan HULSKER, 1970 *The Unknown Van Gogh* Chris Schoeman, 2015-07-01 Much has been written about Vincent van Gogh and his tempestuous relationship with his brother Theo But few people know that there was a third Van Gogh brother Cornelis who was raised in the Netherlands but worked married and died in South Africa The son of a Protestant minister Cor spent his youth in a series of small Dutch towns with idyllic holidays walking in the countryside with his artist brother before troubles and tragedies beset the Van Gogh family In 1889 the twenty two year old Cor sailed to South Africa where he worked as an engineer on the gold mines and on the railways In the Anglo Boer War he joined the Boers first as a railway engineer and later on commando in the Free State where in 1900 he suffered a fate that echoed his famous brother's tragic end The Unknown Van Gogh recreates South Africa in the tumultuous last decade of the nineteenth century reconstructs the personal story of a young immigrant from letters and other archival documents and explores his relationship with his famous brother Vincent With new insights based on original research this book uncovers a figure who has been forgotten by history **Art Management** Giép Hagoort, 2003 In the 21st century there is an enormous need for a basic knowledge of management in the cultural sector This publication fills the gap between general management theory and cultural praxis It offers information on the global dimension of art management digitization of culture strategy formation in the cultural sector the structure of a cultural organization cultural leadership Casestudies are presented from different parts of the world rooted in local resources
