

The background of the book cover features a complex, three-dimensional molecular structure. It consists of numerous spheres of varying sizes, representing atoms, connected by thin, light-colored rods representing chemical bonds. The spheres are rendered with a metallic or reflective texture, showing highlights and shadows. The overall color palette is a mix of light beige, cream, and soft blue, creating a clean and scientific aesthetic. The molecular structure is distributed across the entire cover, with some parts appearing more prominent than others.
