**Blue Helmet** Edward H. Carpenter, 2025-03 Blue Helmet My Year as a UN Peacekeeper in South Sudan tells the story of a country a conflict and the institution of peacekeeping through the eyes of a senior American military officer working on the ground in one of the most dangerous countries on the planet South Sudan is rich in natural resources and its fertile soil could make it the breadbasket of East Africa Yet it remains the poorest and most corrupt country in the region plagued by disease famine and ethnic strife Abductions sexual violence death and displacement affect tens of thousands of people each year Edward H Carpenter pulls readers into his world allowing them to experience the powerful poignant realities of being a peacekeeper in South Sudan In the process the author reveals how the United Nations really conducts its missions what it tolerates and how it often falls short of achieving the aims of its charter equal rights justice and economic advancement for all people with the use of armed forces limited to serving those common interests by keeping the peace and

preventing the scourge of war It is a story that is eye opening unsettling and always compelling Global leaders may fairly claim that they have done everything they can to help South Sudan help itself they've dispatched thousands of peacekeepers and provided billions of dollars in aid So why is the UN still struggling to fulfill its mandate to protect civilians and safeguard the delivery of humanitarian assistance What could be done better Bringing the reader to the forefront of action Blue Helmet answers these questions and raises others about how modern peacekeeping missions are organized and overseen shedding light on some of the contradictions at the heart of peacekeeping      *Safari as a Way of Life* Jennifer New, 2017-05-02 When he lost his life at age 22 while on assignment in Somalia photojournalist Dan Eldon left behind much more than the astonishing illustrated journals that would form the basis of *The Journey Is the Destination* He left behind a life story that has inspired students teachers artists and activists as well as a forthcoming film Raised in Kenya Dan grew up with a unique outlook on life Through adventurous safaris and benevolent crusades around the world he crafted a philosophy of curiosity creativity and charity Showcasing personal letters snapshots and artwork from his acclaimed journals this teen appropriate visual biography takes young readers on a profound impactful journey through Dan's life and beyond      *The Journey is the Destination* Dan Eldon, 1997 Diaries scrapbooks photocollage collage travel journeys Africa      **The Journal Junkies Workshop** Eric M.
