By Their Blood Christian Martyrs From The Twentieth Century And Beyond:

By Their Blood James Hefley, Marti Hefley, 2004 The moving true stories of modern martyrs all over the world are brought to life in this newly revised edition **Just Love Her** D. E. Fast, 2022-06-09 What you need is a good woman That was my mother's consistent counsel from the time I didn't get asked to play on the neighborhood little league team to when Donna and I broke up in high school What you need is a good woman Don I believed my mother when she said it I didn't walk around on a daily basis and repeat the mantra of the good wife but I did take it to heart It wasn't until I got married that I realized that although I had a good woman life wasn't getting easier or more fulfilling in fact it was getting much much harder One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto believing like me in my younger days that when you find the right woman all your problems will magically disappear Most of the time not all but most it's after marriage that the real problems begin It's not that they weren't there before it's just that our good woman turns into a full length relational mirror exposing the sin and idolatries that were already there but were easy to run away from before we got hitched to our eventual bad wife This little book will identify one of the main causes of bad marriages idolatry Many if not most men worship the ground she walks on instead of just loving her **Fortress**
