Cold Frame P T Deutermann:

Cold Frame P. T. Deutermann, 2015-07-14 The downtown area of today's Washington D C has become an armed camp Men with assault rifles crouch on top of monuments and buildings Anti missile sites bristle on the White House roof Meter maids carry Glockes and tactical radios all in the name of federal CT counterterrorism In *Cold Frame* the dramatic new thriller by P T Deutermann a secret committee of government and civilian officials puts names on the Kill List which targets overseas threats to America for termination When a senior bureaucrat who is part of the Kill List process dies in Washington under mysterious circumstances that include a beautiful woman a glass of wine and a bouquet of flowers Metro detective Av Smith is tasked to investigate Smith and his fellow detectives soon find themselves besieged by a hornet's nest of intrigue and deception With the aid of an FBI agent and a reclusive scientist who nurtures unusual interests Av digs deeper into the mystery only to become the target of a plan that reaches into the highest levels of the federal government and far exceeds the mission of the Kill List itself Set in contemporary Washington D C amidst the Byzantine counterterrorism bureaucracy *Cold Frame* is a compelling thriller by masterful novelist P T Deutermann whose insider knowledge of how the military federal and local intelligence agencies work or don't illuminates the dark world of Washington's War on Terror

American Noir Barry Forshaw, 2017-04-27 The word Noir is used here in its loosest sense every major living American writer is considered including the giants Harlan Coben Patricia Cornwell James Lee Burke James Ellroy and Sara Paretsky as well as non crime writers such as Stephen King who stray into the genre often through a concentration on one or two key books Many exciting new talents are highlighted and Barry Forshaw's knowledge of and personal acquaintance with many of the writers grants valuable insights into this massively popular field But the crime genre is as much about films and TV as it is about books and this book is a celebration of the former as well as the latter American television crime drama in particular is enjoying a new golden age and all of the important current series are covered here as well as key important recent films

The Last Paladin P. T. Deutermann, 2022-07-19 Winner of the 2023 W Y Boyd Literary Award for Excellence in Military Fiction A gripping tale of anti submarine warfare in the World War II Pacific Theater by a master of military adventure fiction *The Last Paladin* by P T Deutermann is based on the true story of the USS Holland DE 24 a World War II Atlantic Fleet destroyer escort which has spent the past two years in the unforgiving battle for survival against the German U boats of the North Atlantic Summoned to relieve destroyers that are bogged down by escort duty in the escalating Pacific Theater the Holland is met with a rather cold reception In the eyes of Pacific Fleet sailors North Atlantic convoy duty pales in comparison to the bloody carrier sinking battles of Savo Island and Guadalcanal However Atlantic Fleet ships have had to specialize in one thing anti submarine warfare The Holland is sent off into remote South Pacific operating areas with orders to find and destroy Japanese submarines but with little expectation of success Her commanders take the mission literally using radio intercepts that are being ignored at higher levels they determine that the Japanese have set up a 1000 mile long picket line of

six submarines an entire squadron's worth to act as a moveable barrier against the expected American advance into the next set of islands. These submarines are poised to sink every American aircraft carrier and destroyer and to change the course of the war. What happens next is one of the legendary stories of the US Navy. The Last Paladin is high stakes naval warfare at its best, told with utter authenticity and a former ship captain's understanding of dramatic, intense combat. P. T. Deutermann continues his acclaimed series of WWII thrillers in this unforgettable novel. The Hooligans P. T. Deutermann, 2020-07-28. A gripping and authentic World War II naval adventure by a master storyteller. The Hooligans fictionalizes the little-known but remarkable exploits of the Hooligan Navy that fought in the Pacific theatre of World War II. Loosely organized in fast-moving squadrons, PT patrol torpedo boats were the pesky nemesis of the formidable Japanese navy, dubbed the mosquito fleet and devil boats for their daring raids against warships, tankers, and transport ships. After the Pearl Harbor raid plunges America into war, young surgical resident Lincoln Anderson enlists in the Navy medical corps. His first deployment comes in August 1942 at Guadalcanal, when, after a brutal sea battle and the landing of Marines on the island, Anderson finds himself triaging hundreds of casualties under relentless Japanese air and land attacks. But with the navy short of doctors, soon Anderson is transferred to serve aboard a PT boat. From Guadalcanal to the Solomon Islands to the climactic tide-turning battle of Leyte Gulf, Anderson and the crew members of his boat confront submarines and surface ships, are attacked from air by the dreaded Kawanishi flying boats, and hunted by destroyers. In the end, Anderson must lead a division of boats in a seemingly impossible mission against a Japanese battleship formation and learn the true nature of his character. Informed by P. T. Deutermann's own experience as a commander of a patrol gunboat in Vietnam, The Hooligans is first-rate military adventure fiction. **The Commodore** P. T. Deutermann, 2016-08-02. In The Commodore, the Navy in 1942-1943 is fighting a losing battle against Japan for control of the Solomon Islands. Vice Admiral William Bull Halsey is tasked to change the course of the war. Halsey, a maverick, goes on the offensive and appoints a host of new destroyer commanders, including a wild card named Harmon Wolf. An American Indian from a Minnesota reservation, Wolf has never fit in with the traditional Navy officer corps. But under Halsey, Wolf's aggressive tactics and gambling nature bring immediate results, and he is swiftly promoted to Commodore of an entire destroyer squadron. What happens next will change Wolf's life, career, and the fate of his ships forever. An epic story of courage, disaster, survival, and triumph that culminates in the pivotal battle of Vela Gulf. The Iceman P. T. Deutermann, 2018-08-21. 1942, off the port city of St. Nazaire in occupied France. A United States Navy S-class submarine assigned to the Royal Navy lurks just outside the borders of the minefield protecting a German U-boat base. Lieutenant Commander Malachi Stormes patrols close to the minefield entrance and manages to trap and sink three outbound U-boats in one spectacular attack. The US Navy promotes him and gives him command of a new class of submarine, a fleet boat called Firefish. Based in Perth, Australia, the Perth boats are the only American forces capable of hitting the Japanese in the western Pacific. Stormes, nicknamed The Iceman, makes it clear that he is willing to take huge chances to achieve results. Adapted from

publisher info Iwo, 26 Charlie P. T. Deutermann, 2023-11-28 The tiny Pacific island of Iwo Jima was the focus of an epic land and sea battle that produced one of the most iconic images of World War II US Marines raising the American flag on Mount Suribachi an active volcano where American and Japanese soldiers desperate to secure the island's airfields fought hand to hand and always to the death In this gripping novel award winning author and retired commodore P T Deutermann follows a young Navy gunnery officer stationed on the battleship Nevada from the beginning of the battle to its decisive end Lieutenant Lee Bishop serves in the main plotting room aboard USS Nevada targeting fourteen inch shells from the ship's guns against enemy positions on Iwo Jima called in by frantic Marine spotters ashore But after the Marines suffer devastating losses of spotting personnel to the Japanese hunting teams sent out specifically to kill them Bishop volunteers to serve onshore as a replacement calling in coordinates to target Japanese positions with offshore naval gunships such as Nevada But Bishop is completely unprepared for what he witnesses and experiences a literal hell on earth during which twenty six thousand Americans become casualties in desperate and often hand to hand fighting with the enemy garrison men committed to dying for Japan Bishop goes from the safe air conditioned gunnery control spaces of a battleship to the mud blood and sheer terror of night fighting against suicidal Japanese who come out of the night and leap into Marine foxholes with samurai swords to slaughter American Marines The battle culminates on the stinking slopes of the volcano where Bishop calls in monster projectiles against banzai charges while using a Thompson submachine to save his own life and those of his fellow Marines Iwo 26 Charlie is a frighteningly dramatic utterly authentic novel by an award winning writer and Navy veteran who is a contemporary master of World War II military fiction **Red Swan** P. T. Deutermann, 2017-08-22 Written with the

authority of twenty six years of military and government service at sea and in Washington Red Swan is a brilliant provocative thriller about the contemporary war that no one sees but which will shape the future of America and China Set in contemporary Washington D C Red Swan begins with an ominous phone call from Carson McGill the Deputy Director of Operations in the CIA to retired CIA officer Preston Allender Henry Wallace is dead A behind the scenes operator at the CIA Wallace was integral to the Agency's secret war against China's national intelligence service which infiltrates government and military offices major businesses and systems crucial to our security Wallace had severely damaged China's Washington spy ring with a devastating ruse a so called black swan in which a deep undercover female agent targeted and destroyed a key Chinese official Now Wallace's mysterious death suggests that the CIA itself has been compromised and that China has someone inside the Agency But as Allender quietly investigates he makes a shocking discovery that will upend the entire American intelligence apparatus For Wallace's black swan operation may have been turned against the CIA a red swan is flying and the question is who is she what is her target and where will she land **The Nugget** P. T.

Deutermann, 2019-10-08 A novice naval aviator grows into a hero in this gripping and authentic World War II adventure by master storyteller P T Deutermann Lieutenant Bobby Steele USN is a fresh faced and eager naval aviator a Nugget who

needs to learn the ropes and complex procedures of taking off and returning safely to his aircraft carrier. A blurry night of drinking lands him in an unfamiliar bed aboard the USS Oklahoma. Later that day the Japanese destroy Pearl Harbor. After cheating death and losing his friend in this act of war, the formerly naive Steele vows to avenge the attack. Flying sea battle after battle, Steele survives the most dangerous air combat in World War II, including Midway, is shot down twice, rescued twice, and eventually leads a daring mission to free prisoners from a secluded Japanese POW camp. Packed with authentic military action on land and at sea in the Pacific Theatre of WWII and featuring a memorable protagonist based on a true life hero, *The Nugget* is a first class adventure by a former commander whose family served in the Pacific.

Trial by Fire P. T. Deutermann, 2021-07-13. Based on a true story, P. T. Deutermann's *Trial by Fire* is a dramatic WWII novel of attack, survival, and triumph on board an aircraft carrier in the Pacific. It's March 1945 and the war in the Pacific is approaching its apocalyptic climax. The largest wartime armada ever assembled, Task Force 58, is closing in on Okinawa; once taken, it will finally put American B-29 bombers in comfortable range of the home islands of Japan and victory. At the heart of the fleet are 14 Essex class aircraft carriers, including the USS Franklin, known as Big Ben, a 27,000-ton behemoth home to 3,600 crewmen and 100 aircraft. Just after dawn, while crewmen prepare for battle, a single Japanese Yokosuka D4Y bomber breaks through the clouds and drops a 500-pound semi-armor-piercing bomb on Big Ben. The bomb rips through the wooden flight deck before exploding on the hangar deck amidst two dozen fully fueled and armed fighter bombers. The resulting explosion engulfs both the hangar deck and all the planes spotted on the flight deck. Bombs cook off and rockets howl in all directions, both on the flight deck and down in the hangar bays. Hundreds of men are forced to leap into the sea to escape the rivers of burning aviation gasoline, leaving the captain with only one-third of his crew, of whom there are more dead, wounded, and trapped men left onboard than able-bodied sailors. *Trial By Fire* is the gripping novelization of how, against all odds, the sailors of the Franklin were able to save their ship after 3 agonizing days of battling the flames that ultimately claimed the lives of 832 men and injured 300 more. Readers will be astounded and humbled by the heroic actions of a few extraordinarily brave sailors in the face of unending catastrophe.
