Cold Tangerines Celebrating The Extraordinary Nature Of Everyday Life:

Cold Tangerines Shauna Niequist, 2009-05-26 Shauna Niequist calls us to see the beauty, hope, and dimension in our ordinary days through the life-giving practice of celebration. *Cold Tangerines* is a beautiful narration of Shauna's journey as a young writer, wife, and mom making peace with herself and crafting a life that celebrates the extraordinary moments hidden in the everyday. Throughout each story echoes the heartbeat message that the normal daily life, ticking by on our streets and sidewalks, at our dinner tables and in our late night talks, is the most precious thing any of us will ever experience. With her signature warmth and vulnerable storytelling, Shauna offers a feast of thoughtful reflections on the small moments that make up the human experience, the spiritual life, and things that seem ordinary but just might be sacred after all. She invites us into a new way of living with the awareness of God's movement gracing every part of our day. Both a voice of challenge and song of comfort, this gallery of celebration encourages us to turn our attention to the marvelous life happening right under our noses. Join Shauna in this heartfelt and hopeful call upward to a new way of being where there's room to breathe, to rest, to break down and break through to the best possible life. Cold Tangerines Signed Limited Edition ZONDERVAN, Zondervan Publishing, 2009-12-15 *Cold Tangerines* is a collection of stories that celebrate the extraordinary moments hidden in our everyday lives. It is about God and about life and about the thousands of daily ways in which an awareness of God changes and infuses everything. It is about spiritual life and about all the things that we have called nonspiritual life that might be spiritual after all. It is the snapshots of a young woman making peace with herself and her life and trying to craft a life that captures the energy and exuberance we long for in the midst of the fear and regret and envy we all carry with us. It is both a voice of challenge and song of comfort, calling us upward to the best possible life and giving us room to breathe, to rest, to break down and break through. *Cold Tangerines* offers bright and varied glimpses of hope and redemption in and among the heartbreak, boredom, and broken glass. Cold Tangerines Shauna Niequist, 2010 *Cold Tangerines* now available in softcover is a collection of stories and ideas about the life of celebration that God gives you. This book offers a vision of life as a collection of bright and varied glimpses of hope and redemption and celebration in and among the heartbreak, boredom, and broken glass.

Grace Notes Dr Ken Baker, 2016-07-02 A grace note is a music notation that the individual performer has to interpret for himself Isn't that amazing Here's the main melody the composer seemed to say and sort the rest of it out for yourself It's like a parable for how to do life There are general broad principles to follow like the Ten Commandments but the real fun comes in the grace notes the extra bits that you learn to play by feel The New Testament word is Charis In modern Greek it's the word for birthday present Imagine that Something you just don't deserve at all but which is rather nice and makes you smile inside This is a prayer journal that is to say it's a daily collected random assortment of prayers notes from books that I'm reading and reflections on my daily reading of the Bible Some of these pieces made it into sermons or even into magazine articles Most languished in online blogs until summoned into service into this little book of grace notes Hope you hear the song
