Letters of Vachel Lindsay Vachel Lindsay, 1979. Lindsay was typecast by his contemporaries as a jazz poet, an appellation kept alive by his exhausting but financially essential reading tours. This selection of his letters shows his yearning to be a poetic savior, an American original, his instinctive appreciation of the infant movie industry's importance, and the hidden self, hidden struggle to escape from the iron hand of his mother. They also reveal the basic shallowness of his intellect and talent despite a capacity for sensing the new demands made on literature by America and the twentieth century.
