Cold Grounds Been My Bed A Korean War Memoir:

Cold Ground's Been My Bed Daniel Wolfe, 2016-08-04 This is not a history of the Korean War It is for anyone who would like to read a memoir rich in dialogue replete with humor and the horror we faced as infantrymen The reader will get a personal view of what it is for a young man to go to war It reaches to the soul of an infantry company It demonstrates the dictum of the infantry that no casualty will be left behind

Cold Ground's Been My Bed Daniel Wolfe, 2005 Dan Wolfe was a Bronx New York teenager whose passions were baseball fooling around in school and hanging out at the candy store in the 1940s In 1951 three years out of high school he was drafted and sent to Korea Cold Ground s Been My Bed is his no holds barred memoir of the experience from his deployment into Company L 15th Regt 3rd division a frontline infantry platoon The title of his book is derived from a blues song sung by his first bunker buddy It speaks to the conditions experienced by soldiers when suddenly faced with the reality of war Feeling inadequate about handling the Browning Automatic Rifle in basic training he expressed his doubts to a cadre man who assured him You don t have to worry about it kid It s given to the biggest men in the squad The day he arrived on the front line Dan five foot seven and 133 pounds was assigned the twenty pound BAR When his platoon was ambushed Dan crawled over fire swept terrain to retrieve the body of his sergeant Under fire with his sergeant in his arms he skidded down a forty foot cliff and into the Imjin River in order to wade to a friendly shore Decades later he learned that he d been cited for the Silver Star but the Jeep carrying the papers was blown up by mortar rounds When a GI was killed by negligent friendly fire the victim s buddy carried out a revenge murder when the company was returned to the line In recounting his story Dan never pretends to be more than he was a young man being shocked and shaped by the reality of war

In the Shadow of the Greatest Generation Melinda L. Pash, 2014-05-22 Largely overshadowed by World War II s greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and

family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way **Seabury Place** Daniel Wolfe,2007 Daniel Wolfe author of Cold Ground s Been My Bed A Korean War Memoir brings to life his Bronx neighborhood during the Great Depression a scene populated by characters that sound like a casting call for Guys and Dolls Willie the Weasel Luncheon Noiviss Trench Feet Jake the Pickleman Pimple Ear and the Creep A street vendor s cart offered a baked sweet potato a jelly apple or shaved ice dripping with syrup A raucous game of stickball street hockey or off the curb resounded with predictable arguments Dan depicts his hilarious antics as a busboy at a Catskill Mountain resort a first date boat ride up the Hudson River and the everyday caustic jokes of the boys hanging out at the candy store But the heart and soul of Dan s childhood was found not in his colorful street life but within the two bedroom flat that his parents made home for a family of five despite a hostile janitor a cold radiator and a leaky icebox The author s relationship with his hard working Ma and Pa illuminates this memoir Like a long talk with old friends late into the night Seabury Place is an experience you won t want to end Comfort Women and Post-Occupation Corporate Japan Caroline Norma,2018-10-15 This book provides an overview of the Japanese sex industry in the years of Japan s postwar economic boom It argues that the origins of gender inequality in contemporary Japan resulted from the policies put in place during this period when there was instituted a sexual contract which provided male salarymen whose work was arduous underpaid and subject to military like organisation with easy access to women s bodies through workplace getaway trips to hot springs resorts hostess bars and prostitution tourism to South Korea as sexual inducement to acquiesce to their own exploitation Japan s economic growth the book thereby contends came at the price not just of environmental and labour degradation but also gender inequality **Memoir of a Cold War Soldier** Richard E. Mack,2001 A career soldier Richard E Mack served in the US Army until 1976 when he retired as a colonel In this volume he recalls his service in front line combat units in Korea and Vietnam commenting on the tasks challenges problems and concerns of all soldiers during these conflicts Contemporary Southern Writers Roger Matuz,1999 Profiles of writers from the American South including lists of their works This single title far surpasses competing resources with its 250 biocritical signed entries on today s most frequently studied Southern novelists short Story writers poets dramatists editors journalists and writers of nonfiction And by carrying on the highly praised St James tradition of excellence Contemporary Southern Writers provides students of literature with a one stop comprehensive academic reference created specifically for students instructors and librarians **Ready to Fire** Richard B. Holmsten,2010-06-28 Once North Korean forces crossed the 38th parallel in 1950 the lives of many Americans half the globe away were disrupted President Truman authorized a call up of enlisted inactive reservists like Richard B Holmsten an about to be married 20 year old with a bright future Replacements

were needed for artillerymen killed during one disastrous day in August 1950 He was assigned to the Headquarters Battery of the 8th Field Artillery Battalion of the 25th Infantry Division This memoir begins with Holmsten s transition from civilian to newlywed soldier It covers training at Fort Lewis Washington state the voyage across the Pacific and the readying of a Fire Direction Control Center for 105 Howitzers near Kaesong It covers the early days of the conflict as the unit moved during the flux of battle the problems faced as the unit retreated south of Seoul and the efforts put forth as the unit struck north again The major campaign covered concerns the crossing of the Han River in March 1951 The crossing was a massive but fast operation and Holmsten s unit was responsible for firing 70 000 rounds of artillery against enemy forces The daily happenings hopes and fears of soldier life are explored including the often contentious relationship of enlisted reserve versus regular army It concludes with the author s rotation back to civilian life Photographs accompany the text

Frank and Me at Mundung-Ni Joseph Donohue, 2012-03-28 It was 1937 when Joseph Donohue first met Frank Milisits in grammar school As they grew up together on the Upper East Side of New York City the two boys kept scrapbooks on World War II became junior aid raid wardens and attended block parties for returning veterans But little did Joseph and Frank know that their fascination with war would eventually lead them one day to fight in a hostile climate thousands of miles away In his Korean War memoir Joseph Donohue chronicles the captivating story of how two naive twenty year old kids made a full circle journey from draftees to basic training recruits to airborne troopers who somehow summoned the courage to jump out of the first planet they ever set foot in As the young men arrived in Korea during a time of uncertainty and chaos Donohue details how the two men quickly moved from days of complete boredom to hair raising moments as they crawled in the rat infested trenches dodged booby traps and minefields and risked their lives to keep hordes of enemy soldiers at bay One year later they returned home as combat veterans who had somehow survived terrifying battles and a one in nine chance of becoming a war casualty Frank and Me at Mundung ni provided an eye opening glimpse into the realities of The Forgotten War and the compelling personal memories of two childhood pals who shared an impassioned journey to a war neither would ever forget
