Collected Stories Everymans Library

Thomas Mann, Daniel Johnson

Collected Stories Everymans Library:

Collected Stories Thomas Mann, Daniel Johnson, 2001 Famous for his novels Thomas Mann is more accessible through the shorter fictions which span his entire career The most famous of these stories is one of the earliest *Death in Venice* was made into the celebrated Visconti film but all his mature preoccupations are present in this story the need for a sense of meaning in existence the relationship between life and art the central role of sexual energy and the strange forms it can take the place of death and disease the importance of work the individual's complex relations with his society and the dominant culture These themes are developed in a series of brilliant stories many of them very short and displaying the author's talent for macabre comedy *Dr Faustus* and *Buddenbrooks* are already available in Everyman **The Collected Stories** Ernest Hemingway, 1998 **Collected Stories** D.H. Lawrence, 1998 *The Collected Stories of Alexander Pushkin* Alexander Pushkin, 1999-05-18 Stories provide an ironic viewpoint on life in nineteenth century Russia **Collected Stories** Franz Kafka, 1998 **Collected Stories** Rudyard Kipling, 1994 This selection covers the full range of Kipling's extraordinary short stories throughout his career Ranging in subject matter from the Indian to the Occult from children to animals from domestic comedy to public tragedy each is masterly in its way Above all they convey a wonderful sense of life and energy and reveal Kipling as a far greater and more diverse writer than most people suspect This is an ideal gift book perfect for reading in short snatches or long stretches according to taste **Collected Stories of Franz Kafka** Franz Kafka, 2015-01-28 From one of the greatest writers of the twentieth century the author of *The Metamorphosis* and *The Trial* a collection of stories that represent the art of a modern master who had the gift of making our problematic spiritual life palpable and real Franz Kafka's imagination so far outstripped the forms and conventions of the literary tradition he inherited that he was forced to turn that tradition inside out in order to tell his splendid mysterious tales that are scrupulously naturalistic on the surface and uncanny in their depths This edition of his stories includes all his available shorter fiction in a collection edited arranged and introduced by Gabriel Josipovici in ways that bring out the writer's extraordinary range and intensity of vision Everyman's Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author's life and times

The Collected Stories Aleksandr Sergeevich Pushkin, 1999 The new expanded Everyman edition of Pushkin's prose fiction contains all his mature work In addition to *The Captain's Daughter* and *The Tales of Belkin* the volume now includes many more short pieces and *The History of Pugachev* a vivid account of an eighteenth century Russian rebellion Pushkin's prose tales are the foundation stones of Russian literature They made possible the great achievements of Dostoevsky Tolstoy and Chekhov But they are also of course brilliant and fascinating in their own right At this volume makes clear Pushkin is one of the world's great story tellers direct dramatic tender with the author's voices always persuasively present Paul

Debreceňy s highly acclaimed translation was first published in 1983 The Everyman edition is published to coincide with the Bicentenary of Pushkin s birth on 26th May 1999 *Collected Stories of Raymond Chandler* Raymond Chandler,2002-10-15 The only complete edition of stories by the undisputed master of detective literature collected here for the first time in one volume including some stories that have been unavailable for decades When Raymond Chandler turned to writing at the age of forty five he began by publishing stories in pulp magazines such as Black Mask before later writing his famous novels These stories are where Chandler honed his art and developed his uniquely vivid underworld peopled with good cops and bad cops informers and extortionists lethally predatory blondes and redheads and crime sex gambling and alcohol in abundance In addition to his classic hard boiled stories in which his signature atmosphere of depravity and violence swirls around the cool intuitive loners whose type culminated in the famous detective Philip Marlowe Chandler also turned his hand to fantasy and even a gothic romance This rich treasury of twenty five stories shows Chandler developing the terse laconic understated style that would serve him so well in his later masterpieces and immerses the reader in the richly realized fictional universe that has become an enduring part of our literary landscape *The Collected Stories of Mavis Gallant* Mavis Gallant,2016-08-09 This generous collection of fifty two stories selected from across her prolific career by the author includes a preface in which she discusses the sources of her art A widely admired master of the short story Mavis Gallant was a Canadian born writer who lived in France and died in 2014 at the age of ninety one Her more than one hundred stories most published in The New Yorker over five decades beginning in 1951 have influenced generations of writers and earned her comparisons to Anton Chekhov Henry James and George Eliot She has been hailed by Michael Ondaatje as one of the great story writers of our time With irony and an unfailing eye for the telling detail Gallant weaves stories of spare complexity often pushing the boundaries of the form in boldly unconventional directions The settings in The Collected Stories range from Paris to Berlin to Switzerland from the Italian Riviera to the C te d Azur and her characters are almost all exiles of one sort or another as she herself was for most of her expatriate life The wit and precision of her prose combined with her expansive view of humanity provide a rare and deep reading pleasure With breathtaking control and compression Gallant delivers a whole life a whole world in each story

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Collected Stories Everymans Library**

In some sort of inundated with monitors and the cacophony of immediate transmission, the profound energy and psychological resonance of verbal artistry frequently fade into obscurity, eclipsed by the continuous barrage of sound and distractions. Yet, set within the musical pages of **Collected Stories Everymans Library**, a captivating function of literary brilliance that pulses with organic thoughts, lies an unique trip waiting to be embarked upon. Composed by a virtuoso wordsmith, that enchanting opus books readers on a mental odyssey, lightly exposing the latent potential and profound affect embedded within the delicate web of language. Within the heart-wrenching expanse of this evocative examination, we can embark upon an introspective exploration of the book is central subjects, dissect its charming writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
