Creating a Private Foundation

A close-up, artistic photograph of a fountain pen's nib and barrel, positioned diagonally across the right side of the cover. The pen is dark, possibly black or dark brown, with a metallic sheen. It is resting on a light-colored, textured surface, likely paper, which shows some faint, dark lines suggesting it has been written on. The background is a warm, orange-brown gradient, creating a sophisticated and professional atmosphere.

Creating A Private Foundation The Essential Guide For Donors And Their Advisers:

Creating a Private Foundation Roger D. Silk, James W. Lintott, 2010-05-27 Imagine all you'd like to accomplish with your philanthropy. Now picture a large portion of your resources never reaching their intended use due to poor strategies, mismanagement or unnecessary taxes. Today the opportunities in the philanthropic sector are greater and more varied than ever. Private foundations, which offer several estate and tax planning advantages as well as unparalleled donor control, have become the vehicle of choice for more than sixty thousand individuals and families and may be ideal for you. *Creating a Private Foundation* introduces the issues you need to understand and gives the big picture on how foundations work. It tells you exactly what is involved for you, for the causes you care about, for your finances and taxes, and for your heirs. Chapters address the practicalities as well as the implications of founding, funding, organizing and operating an effective foundation, including growing its endowment, allocating its assets, and selecting professional foundation management help. Roger Silk, James Lintott, and their colleagues, leaders in the foundation consulting arena, have pooled their wisdom in this comprehensive guide for donors and your advisers. If you're looking to make a difference, there is no better guide.

Managing Foundations and Charitable Trusts Roger D. Silk, James W. Lintott, 2011-06-09 The insider's guide to charitable organizations for donors and their advisers. Do you know when to use a private foundation, a donor advised fund, or a charitable remainder trust or other charitable vehicle? Do you know the different tax benefits, limitations, and control rules for each alternative? Do you have an appropriate investment policy for your endowed charities? Do you have a rubric for avoiding fraud? Do you know what to look for to make sure that your charitable donations don't do the opposite of what you intend? In *Managing Foundations and Charitable Trusts*, Roger D. Silk and James W. Lintott provide a comprehensive guide for charitable donors and their advisers. Additional topics include Foundation Governance, When to seek additional professional help, When

and how to turn a CRT interest into cash Key tax issues Creating a legacy Why tax planning is so difficult and how to approach it Straightforward and authoritative Managing Foundations and Charitable Trusts is a handy easy to read guide that all donors and their advisors will want to keep on hand The PPLI Solution Kirk Lory,2010-07-23 Private placement life insurance PPLI was once the exclusive domain of wealthy investors willing to tackle the logistical challenges of the offshore insurance market The investment portfolio tax and estate planning applications and ongoing investment potential of these policies made the effort worthwhile In recent years though a number of U S based insurance companies have developed similar policies that meet all U S insurance investment and tax regulations PPLI is becoming a fundamental component of effective tax trust and estate planning but few sources have been available to detail the best practices until now The PPLI Solution can serve as a resource for effective execution Written by leading practitioners the book will position advisers to capitalize as PPLI expands further into the high net worth market and becomes available to individuals with an investable net worth as low as 1 million Few investors whatever their net worth will want to venture into the PPLI market without guidance The PPLI Solution addresses the needs of investment managers consultants attorneys and accountants who want to achieve the broad understanding of PPLI s applications required of those providing advice It can serve as an authoritative source for anyone including investors seeking to know more about PPLI s nearly perfect tax efficiency solid creditor protection and powerful means of creating wealth **The New Leviathan** David Horowitz,Jacob Laksin,2012-06-12 At a time when the national political debate is about inequality and fairness bestselling author David Horowitz and coauthor Jacob Laksin have written an unsettling book about the distribution of power in America Thoroughly researched and amply documented The New Leviathan overturns the conventional wisdom about which end of the political spectrum represents the rich and powerful and which represents the people The Democratic Party presents itself to the electorate as the party of working families and the poor In the 2000 election campaign Democrat Al Gore ran on the slogan The People vs the Powerful while President Obama describes himself as a grassroots organizer and a spokesman for fairness and progressive change Such is the world of political myth In reality the Democrats and the Obama progressives represent the richest and most powerful political machine in American history Backed by a near trillion dollar treasury in America s oldest and largest tax exempt foundations progressives outspend conservatives by a factor of seven to one In The New Leviathan David Horowitz and Jacob Laksin examine this growing financial power of left wing organizations and politicians They show how left wing foundations underwrote the political career of Barack Obama and how massive funding advantages for progressive proposals have disenfranchised American voters and shifted the national policy debate dramatically to the left The New Leviathan draws connections between the Obama administration and progressive organizations from labor unions to media outlets to nonprofits to political groups and shows how on key policy fronts national security immigration citizenship environment and health care the sheer force of left wing financial resources has reconfigured the nation s political agenda **Money Well**
