Capitol Limited David R. Stokes, 2014-01-09 LONG BEFORE THEY famously debated each other during the 1960 presidential campaign John F Kennedy and Richard M Nixon debated the merits of the new Taft Hartley labor law in McKeesport Pennsylvania in April 1947 But their minds were clearly on bigger things As fate would have it Kennedy and Nixon shared a Pullman compartment on a famous train called The Capitol Limited the pride of the B O line for an overnight trip back to Washington They stayed awake all night talking about their lives hopes and visions for a better world CAPITOL LIMITED is based on a very true story Bestselling author David R Stokes imagines how the conversation might have unfolded that long ago night Based on extensive research and complete with a lengthy and unusual for a novel bibliography CAPITOL LIMITED gives readers the chance to eavesdrop as two men have an animated conversation about history world leaders and the brewing geopolitical issues they would one day face as leaders of the free world It was the dawn of the Cold War and these two former Naval officers were developing a vision for the world one that would be tempered by a hard and bitter peace And years later the political torch would be passed to John Kennedy and Richard Nixon who represented a new generation of Americans They would become America's premier Cold Warriors **JFK** Fredrik Logevall, 2021-09-07 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A Pulitzer Prize winning historian takes us as close as we have ever been to the real John F Kennedy in this revelatory biography of the iconic yet still elusive thirty fifth president An utterly incandescent study of one of the most consequential figures of the twentieth century Jill Lepore author of These Truths A History of the United States WINNER OF THE ELIZABETH LONGFORD PRIZE NAMED BIOGRAPHY OF THE YEAR BY The Times London ONE OF THE BEST BOOKS OF THE YEAR The Sunday Times London New Statesman The Daily Telegraph Kirkus Reviews By the time of his assassination in 1963 John F Kennedy stood at the helm of the greatest power the world had ever seen a booming American nation that he had steered through some of the most perilous diplomatic standoffs of the Cold War Born in 1917 to a striving Irish American family that had become among Boston's wealthiest Kennedy knew political ambition from an early age and his meteoric rise to become the youngest elected president cemented his status as one of the most mythologized figures in American history And while hagiographic portrayals of his dazzling charisma reports of his extramarital affairs and disagreements over his political legacy have come and gone in the decades since his untimely death these accounts all fail to capture the full person Beckoned by this gap in our historical knowledge Fredrik Logevall has spent much of the last decade searching for the real JFK The result of this prodigious effort is a sweeping two volume biography that properly contextualizes Kennedy amidst the roiling American Century This volume spans the first thirty nine years of JFK's life from birth through his decision to run for president to reveal his early relationships his formative experiences during World War II his ideas his writings his political aspirations In examining these pre White House years Logevall shows us a more serious independently minded Kennedy than we've previously known whose distinct international sensibility would

prepare him to enter national politics at a critical moment in modern U S history Along the way Logevall tells the parallel story of America s midcentury rise As Kennedy comes of age we see the charged debate between isolationists and interventionists in the years before Pearl Harbor the tumult of the Second World War through which the United States emerged as a global colossus the outbreak and spread of the Cold War the domestic politics of anti Communism and the attendant scourge of McCarthyism the growth of television s influence on politics and more JFK Coming of Age in the American Century 1917 1956 is a sweeping history of the United States in the middle decades of the twentieth century as well as the clearest portrait we have of this enigmatic American icon **JFK's Ghost** David R.
