Capping Costs Putting A Price Tag On School Reform:

Capping Costs Gerard Giordano, 2011-12-16 Early and recent school reformers demanded greater funding They insisted that they needed it to protect children the economy and the nation This book uses the case method to analyze the budgets that they proposed the rhetoric that they employed and the resistance that they encountered Teachers Go to Rehab Gerard Giordano, 2012-10-04 Teachers Go to Rehab examines the advice given to teachers from multiple critics both historically and recently This book looks at the scope cost and impact of this advice to teachers as well as the motives behind it It poses precise questions about the groups that gave the advice Who were they What did they recommend How did they estimate impact How did they calculate costs What aims did they profess What aims did they conceal Whom did they attract Whom did they alienate When did they succeed When did they fail **Common Sense Questions about Tests** Gerard Giordano, 2016-03-07 Parents had questions about the tests their children took at school They considered them to be common sense questions They posed them to the businesspeople publishers and politicians who championed tests They also posed them to the school administrators teachers and union leaders who criticized them This book examines the questions the parents posed the answers they elicited and the changes they prodded **Common Sense Questions About Learners** Gerard Giordano, 2017-05-24 Parents asked educators about their children s learning Frustrated when they were ignored they asked politicians to put pressure on the educators They were then surprised when the politicians provided personal advice about the optimal way to nurture learning They were even more surprised when the politicians prescribed changes to instruction curriculum textbooks technology school safety teacher retention student behavior school funding and even the menus for school cafeterias More frustrated than ever they intensified their barrage of common sense questions

Commonsense Questions about Instruction Gerard Giordano, 2014-01-30 Parents want teachers to explain how they instruct children They become annoyed when the teachers are silent or surly Parents counter with explicit common sense questions how do teachers arouse interest design curricula reinforce discipline assign grades designate textbooks and select technology This book examines the parents questions the answers they elicited the allies they attracted and the improvements they initiated Common Sense Questions about School Administration Gerard Giordano, 2015-03-06 Parents have questions for school administrators They want to know how they hire teachers erect facilities select learning materials protect students allocate budgets use data make forecasts measure progress and compete with for profit schools This book examines the questions they pose the answers they elicit the allies they attract the adversaries they arouse and the improvements they prod **The Parent-School Board Feuds** Gerard Giordano, 2024-10-02 During the COVID 19 pandemic parents were able to observe their children in online classes They were surprised by classroom discussions and assignments related to gender race ethnicity and religion along with the policies that were guiding curricula tests technology athletics discipline safety transportation funding and numerous other aspects of schools Parents began giving their advice to their

school boards but when they were ignored they disrupted meetings wrote editorials created blogs staged rallies and lobbied state officials They were hoping to attract media attention and acquire political power and were stunned by their success TheParent School Board Feuds Essential Steps by Parents to Improve Schools recounts parent school board feuding about controversial classroom topics such as gender and race their disagreements about school policies including those affecting tests technology athletics and discipline and the impact that parents had during the pandemic and continue to have today

Parents and School Violence Gerard Giordano,2022-05-09 This book explores advice about controlling school violence It looks at recommendations on student arrests active shooter drills panic buttons emergency texts armed school personnel facial recognition software restorative justice programs anti bullying programs zero tolerance policies mental health counseling mandatory psychiatric screening therapeutic yoga police dogs and bullet proof bags This book relies on a distinctive approach to solving It leads readers to see how one set of problems can contain a key to solving the other set

Parents and Marginalized Students Gerard Giordano,2023-09-26 Parents worried that their children would be marginalized by their peers at school They gave examples in which they were singled out because of their gender race ethnicity sexual orientation language religion or disabilities They identified others who were picked out because of their family s income immigration status association with the armed services or attitudes towards medical issues The parents were assured that changes were in the works to protect marginalized students They reviewed changes to curricula instruction textbooks disciplinary strategies counseling techniques tests school sponsored events school terminology athletic competitions restroom policies dress codes disability policies and extracurricular activities Many parents had confidence in these changes However some were skeptical The two groups argued with each other at local schoolboard meetings They escalated their arguments after attracting the attention of journalists scholars and elected officials Parents and School Technology Gerard Giordano,2021-05-15 Parents had reasons to be alarmed about school technology They had been warned that these abuses could influence their children s academic progress motivation communication creativity critical thinking job preparedness and even their safety at school They had been told that it was linked to controversial instruction faulty testing inadequate textbooks and invasive spyware Upset by these claims the parents had numerous questions This book identifies their questions the groups to which they directed them the answers they elicited and the educational changes they prompted
