Clarice Lispector Biography Benjamin Moser:

Why This World: A Biography of Clarice Lispector Benjamin Moser, 2009-08-04 That rare person who looked like Marlene Dietrich and wrote like Virginia Woolf Clarice Lispector is one of the most popular but least understood of Latin American writers Now after years of research on three continents drawing on previously unknown manuscripts and dozens of interviews Benjamin Moser demonstrates how Lispector's development as a writer was directly connected to the story of her turbulent life Born in the nightmarish landscape of post World War I Ukraine Clarice became virtually from adolescence a person whose beauty genius and eccentricity intrigued Brazil Why This World tells how this precocious girl through long exile abroad and difficult personal struggles matured into a great writer It also asserts for the first time the deep roots in the Jewish mystical tradition that make her the true heir to Kafka as well as the unlikely author of perhaps the greatest spiritual autobiography of the twentieth century From Chechnik to Recife from Naples and Berne to Washington and Rio de Janeiro Why This World strips away the mythology surrounding this extraordinary figure and shows how Clarice Lispector transformed one woman's struggles into a universally resonant art

The Upside-Down World Benjamin Moser, 2023-10-10 A Washington Post Notable Book of 2023 Plunged into a strange land at twenty five Benjamin Moser began an obsessive decades long study of

the Dutch Masters to set his world right again Arriving as a young writer in an ancient Dutch town Benjamin Moser found himself visiting casually at first and then more and more obsessively the country s great museums Inside these old buildings he discovered the remains of the Dutch Golden Age and began to unearth the strange inspiring and terrifying stories of the artists who gave shape to one of the most luminous moments in the history of human creativity Beyond the sainted Rembrandt who harbored a startling darkness and the mysterious Vermeer whose true subject it turned out was lurking in plain sight Moser got to know a whole galaxy of geniuses the doomed virtuoso Carel Fabritius the anguished wunderkind Jan Lievens the deaf prodigy Hendrik Avercamp And through their artwork he got to know their country too from the translucent churches of Pieter Saenredam to Paulus Potter s muddy barnyards and from Pieter de Hooch s cozy hearths to Jacob van Ruisdael s tragic trees Year after year as he tried to make a life for himself in the Netherlands Moser found friends among these centuries dead artists And he found that they too were struggling with the same questions that he was Why do we make art What even is art anyway and what is an artist What does it mean to succeed as an artist and what does it mean to fail Is art a consolation or a mortal danger The Upside Down World is an invitation to ask these questions and to turn them on their heads to look and then to look again This is Holland and its great artists as we ve never seen them before And it s a sumptuously illustrated highly personal coming of age story twenty years in the making a revealing self portrait by one of the most acclaimed writers of his generation
