Turner,2010-04 Dan Johnson a lifelong accountant has a dream of owning his own business He soon finds that opportunity when Larry Tolliver offers him the chance to purchase a small but profitable manufacturing company at a reasonable price Soon after Johnson accepts the offer he realizes that he has been had and that in fact Larry Tolliver has set in motion a chain of events that will bring ruin not only to his newly purchased company but to his professional and personal life as well Johnson comes to see that his only hope is to outsmart Tolliver and defeat him in the only place he has a chance to win the courtroom Author Donald Turner was born in Virginia and raised in North Carolina He spent most of his career as a manager in various capacities throughout the Southeastern

United States until retiring in 2007 Currently he teaches business management and economics for a local university on a part time basis while devoting his nights to working on his next novel He is a fan of the works of Dan Brown and Tom Clancy and hopes to bring the same kind of intrigue and excitement to his own novels which are centered in and around the modern business world Publisher s website [http www strategicpublishinggroup com title GreedAndAvarice htm](http://www.strategicpublishinggroup.com/title/GreedAndAvarice.htm) **Mercer's Manor** Bobby R. Woodall,2003-09-05 Dan Mercer is an ex Union officer trying to forge a new life for himself on Oklahoma s untamed plains **Shelter Blues** Robert R. Desjarlais,2011-09-16 Desjarlais shows us not anonymous faces of the homeless but real people While it is estimated that 25 percent or more of America s homeless are mentally ill their lives are largely unknown to us What must life be like for those who in addition to living on the street hear voices suffer paranoid delusions or have trouble thinking clearly or talking to others Shelter Blues is an innovative portrait of people residing in Boston s Station Street Shelter It examines the everyday lives of more than 40 homeless men and women both white and African American ranging in age from early 20s to mid 60s Based on a sixteen month study it draws readers into the personal worlds of these individuals and by addressing the intimacies of homelessness illness and abjection picks up where most scholarship and journalism stops Robert Desjarlais works against the grain of media representations of homelessness by showing us not anonymous stereotypes but individuals He draws on conversations as well as observations talking with and listening to shelter residents to understand how they relate to their environment to one another and to those entrusted with their care His book considers their lives in terms of a complex range of forces and helps us comprehend the linkages between culture illness personhood and political agency on the margins of contemporary American society Shelter Blues is unlike anything else ever written about homelessness It challenges social scientists and mental health professionals to rethink their approaches to human subjectivity and helps us all to better understand one of the most pressing problems of our time

Larkins' Circles Heath Eckstine,2012-07-11 When Maycio Graves entered the psychiatrist s office with a gun in his hand he had just one rule listen or die Now aided by the collective awareness of a post apocalyptic human race residing inside his brain he must tell the doctor how the end came to pass before and will come again in order to stop it There is just one flaw to his plan he has failed before and if he wants to save the world absolutely nothing can change Tomorrow this happened
