Dear Cheerleaders and Families:

It is with my greatest pleasure that I officially welcome you to the Spring 2012 Season! The content included in the welcome letter will help to equip PREMIER families with the important information to get the season started. Please read carefully through the following information as it contains important dates, locations, practice and game time information, what to expect this season from your coach and the program as well as what the expectations are of your cheerleader and the cheer families! If at any time you have any questions please do not hesitate to contact the MYFF Office. Anyone in the office will be able to assist you but I am always available to speak with cheer families!

Your cheerleader is currently registered for the Spring 2012 UTICA PREMIER CHEER TEAMS. The Utica PREMIER Coach for **PREMIER Team #2** is ASHLI HOGAN. For the time being, should you have any questions directly for Ashli, please send those questions to me and I will pass them along. Ashli will address cheer families by the time of the first practice informing you on how she prefers to be contacted during the season.

Each team will have a "Team Page" created for easy access to updates and important information throughout the season. This "Team Page" will be accessed through your Blue Sombrero account (this is the account you created with us when registering for the season). After logging on to your account you will be able to click on the team's link next to your child's name. promised in the Declaration of Independence for example just as Columbus Day celebrating the Italian Catholic explorer helped immigrants proclaim their legitimacy as Americans Native Americans too could use public holidays such as Thanksgiving or Veterans Day to express dissent or demonstrate their claims to citizenship Merchants and advertisers colonized the American calendar moving in to sell their products by linking them often tenuously with holiday occasions or casting consumption as a patriotic act

Community Stewardship Ndeh Sanjou-Tadzong,2021-10-01 Ours is a world that is constituted and reinvented through the personal and shared stories we tell In the spirit and understanding that each and every one of us however big or small has a story to tell I am pleased to share with you this modest account of myself who rose from very humble beginnings into community stewardship It is only one story from one vantage point which I hope will contribute to the dynamism and quest for recreation in eternity that makes our world what it is a melting pot of experiences My idea is to expose and share my personal experience with others and hopefully leave them with a thing or two to take along in their own life journeys This approach is a school from where people s minds are tickled with new ideas and sooner or later develop their intellectual and human capacities as caring and sharing beings Through the story of my life I want to create an awareness for people to stay focused on some basic principles or virtues of life such as belief and faith in the forces big and small that shape our affairs in ways we can only marvel at The story is also an invitation to cherish virtues such as hard work honesty empathy justice love and respect trust confidence transparency and accountability These virtues are indispensable for in our quest and commitment to peaceful coexistence and to unity in our creative diversity as humans of various races and cultures Let us accept and emulate shining examples Let s reject all forms of animosity hatred jealousy greed blackmail corruption embezzlement but bow down in reverence to all that is noble good and accepted by all and sundry This in essence is my modest message in Community Stewardship
