Rose, 2021-02-02 From New York Times and Wall Street Journal bestseller M.J. Rose comes a provocative and moving story of a young female architect in post World War II Manhattan who stumbles upon a hidden treasure and begins a journey to discovering her mother's life during the fall of the Romanovs Sophia Moon had always been reticent about her life in Russia and when she dies suspiciously on a wintry New York evening Isabelle despairs that her mother's secrets have died with her But while renovating the apartment they shared Isabelle discovers something among her mother's effects a stunning silver tiara stripped of its jewels Isabelle's research into the tiara's provenance draws her closer to her mother's past including the story of what became of her father back in Russia a man she has never known The facts elude her until she meets a young jeweler who wants to help her but is conflicted by his loyalty to the Midas Society a covert international organization whose mission is to return lost and stolen antiques jewels and artwork to their original owners Told in alternating points of view the stories of the two young women unfurl as each struggles to find their way during two separate wars In 1915 young Sofiya Petrovitch favorite of the royal household and best friend of Grand Duchess Olga Nikolaevna tends to wounded soldiers in a makeshift hospital within the grounds of the Winter

Palace in St Petersburg and finds the love of her life In 1948 New York Isobelle Moon works to break through the rampant sexism of the age as one of very few women working in a male dominated profession and discovers far more about love and family than she ever hoped for In M J Rose s deftly constructed narrative the secrets of Sofiya s early life are revealed incrementally even as Isobelle herself works to solve the mystery of the historic Romanov tiara which is based on an actual Romanov artifact that is to this day still missing and how it is that her mother came to possess it The two strands play off each other in finely tuned counterpoint building to a series of surprising and deeply satisfying revelations The New Century Perfect Speaker John Coulter,1901 *The Quarry* Harvey Grossinger,2012-10-15 At the heart of this collection of five short stories and the title novella is the powerful interconnection between parents and children nostalgia and memory and the collective emotional intimacies and transactions that configure human behavior Incisive and witty meditations on the disruptions and difficulties of family life the stories in *The Quarry* focus on the precariously balanced world of anxious and awkward sons and painfully failed or failing fathers The title novella sifts through the irreparable moral and psychological confusion brought about by the Holocaust following two families as they struggle to reconcile themselves to personal disorder and private grief with no illusory platitudes about the redemptive power of suffering With unerring compassion for conveying emotional revelations and a keen sensitivity to the frailty and malleability of the human spirit *The Quarry* lures the reader into confronting the most hidden and disquieting parts of the buried self **1866-1888** Oliver Ayer Roberts,1901 History of the Military Company of the Massachusetts, Now Called the Ancient and Honorable Artillery Company of Massachusetts. 1637-1888 Oliver Ayer Roberts,1901 **The Household Manager** Charles Pierce,1857
