Airportness Christopher Schaberg, 2017-09-21 Airportness takes the reader on a single day's journey through all the routines and stages of an ordinary flight. From curbside to baggage and pondering the minutes and hours of sitting in between, Christopher Schaberg contemplates the mundane world of commercial aviation to discover the nature of flight. For Schaberg, this means hearing planes in the sky, recognizing airline symbols in unlikely places, and navigating the various zones of transit from sliding doors to jet bridge to lavatory. It is an ongoing swarming ecosystem that unfolds each day as we fly, get stranded, and arrive at our destinations. Airportness turns out to be more than just architecture and design elements; rather, it is all the rumble and buzz of flight, the tedium of travel, as well as the feelings of uplift. **Maximizing Saving**
