Richards, 2021-03-11

Chasing Heaven was written as a guide to help with what we spend a good part of our life doing whether consciously or not As we are bombarded with so much stimuli each day how do we sift through all this and continue on a path to heaven Whether we are religious or not is it possible to end up at the same end If there is a God is it possible to find understanding in all that goes on around us and what we do Chasing Heaven is about trying to find some meaning and real purpose to our life Let's try and find some understanding to our daily chase **Chasing Heaven** Crystal McVea, Alex

Tresniowski, 2016-04-08 From the author of the New York Times bestseller Waking Up in Heaven comes an extraordinary story about Crystal McVea's personal transformation after visiting heaven and how readers can experience heaven themselves and live a more meaningful life On December 10 2009 Crystal McVea was being treated in a hospital for pancreatitis Her heart stopped pumping for nine minutes before doctors managed to revive her In those nine minutes she went to heaven stood with God and was forever changed Ever since Crystal's incredible experience her life has been profoundly different She has become a brand new person in every conceivable way heart mind soul and spirit By dying Crystal learned how to live Crystal realized that heaven is real and our true home but we are still meant to have meaningful lives full of passion and purpose right here on earth She believes we have to chase heaven while we are still alive and allow God to turn our lukewarm love into a firestorm of faith Chasing Heaven is the story of how God called to Crystal what He told her and how she found a way to get closer to Him again here on earth Crystal assures us that we don't have to die and go to heaven in order to ignite our faith We also don't have to abandon the lives we have in order to experience God and heaven Chasing Heaven is about following the path to the Lord and discovering your spiritual destiny The journey that followed Crystal's time in heaven has been difficult complicated and surprising full of twists and turns setbacks and triumphs drama and comedy and everything that makes life so messy and beautiful
