Fanny J. Crosby An autobiography Fanny J. Crosby,2020-06-24 For those friends and acquaintances who have expressed a wish to read the complete story of my life from my childhood to the present time I have undertaken the writing of this book By including even some incidents that in themselves may seem trivial I have tried to make this account a full and accurate autobiography In modesty however I have also desired to render my story as simple as

possible in fact to give a vivid picture of my work my opinions and my aspirations not only as a teacher but also as a writer of sacred songs and if I have spoken with a frankness that may seem akin to egotism I hope that I may be pardoned for I am fully aware of the immense debt I owe to those numberless friends only a few of whom I have been able to mention and especially to that dear Friend of us all who is our light and life
