DAVID PAWSON

Defending Christian Zionism

Suzanne Newcombe, Sarah Harvey

Defending Christian Zionism:

Defending Christian Zionism David Pawson, 2014-01-14 Has God brought the Jewish people back to Palestine How can both Jews and Christians be God's chosen people How many covenants are there in the Bible Do all Christian Zionists accept dispensational teaching Does the God of Israel ever change his promises These are some of the questions that must be faced in the light of current attacks on Christian Zionism by some evangelical writers David Pawson believes that Christians need very clear biblical understanding before making political pronouncements about conflict in the Middle East Defending Christian Zionism

J. David Pawson, 2008-01-01 **Christian Zionism Or Israel Theology? In Reponse to David**

Pawson's 'Defending Christian Zionism'. Walter Emile Tessensohn, 2012-11-13 Why did God choose the Israelites to be his people and why did He give them a land Which Covenant made Israel God's people What is the consequence if God's people break the Sinai Covenant Can an everlasting promise or covenant be withdrawn or cease to exist If so why If not why not If the Israelites are not God's people anymore do they have a Biblical right to live in the country where their ancestors lived Does this land belong to Israel What does the New Covenant mean for Israel What was the mission of the Jewish Messiah Did the Jewish Messiah come to undo the fall in paradise overcome death overcome Satan and establish the Kingdom of God or was his mission to graft the Gentiles on Israel and to revive old times to make an earthly kingdom of Jews Who is the real enemy of God's people Satan and his angels or flesh and blood Palestinians Iranians and Muslims The author is a teacher and an elder in an Evangelical Church in the Netherlands **Christian Antisemitism** Michael L. Brown, 2021

It's tragic yet not shocking to hear the Jewish people and Israel described as a dominant and moving force behind the present and coming evils of our day and a monstrous system of evil that will destroy us and our children What's surprising is that these and similar comments are being made by Christians people who claim to demonstrate the love of God Messianic Bible scholar Michael L Brown PhD exposes the lies that support modern Christian antisemitism and addresses relevant questions such as What is antisemitism exactly Is it a sin to be a Zionist Why is replacement theology so popular Do the Jews want to take over the world Open your eyes to the hate that has seeped into the church and fight the trend with the powerful love of the cross Book jacket **Evangelical Christian Responses to Islam** Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins Political Violence in Judaism

Christianity, and Islam Jonathan Fine, 2015-03-26 Religious political violence is by no means a new phenomenon yet there are critical differences between the various historical instances of such violence and its more current permutations Since the mid 1970s religious fundamentalist movements have been seeking to influence world order by participating in local political systems For example Islamic fundamentalism is at the heart of the Muslim Brotherhood in Egypt the Christian fundamental right wing has seen a resurgence in Europe and Jewish fundamentalism is behind the actions of Meir Kahane's Kach movement and the settler movement The shift in recent years from secular to religious political violence necessitates a reevaluation of contemporary political violence and of the concept of religious violence This text analyzes the evolution of religious political violence in both historical and contemporary perspectives Since religious political violence events are usually associated with the term terrorism the book first analyzes the origins of this controversial term and its religious manifestations It then outlines and highlights the differences between secular and religious political violence on ideological strategic and tactical levels before comparing the concept of Holy War in Judaism Christianity and Islam Lastly it shows how modern radical monotheistic religious groups interpret and manipulate their religious sources and ideas to advocate their political agendas including the practice of violence A unique comparative study of religious political violence across Judaism Islam and Christianity this text features many international case studies from the Crusades to the Arab Spring **Prophecy**

in the New Millennium Suzanne Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy's more mundane manifestations and its role in providing meaning and motivation in everyday life *Covenant Brothers* Daniel G. Hummel, 2019-06-07 Weaving together the stories of activists American Jewish leaders and Israeli officials in the wake of the establishment of the state of Israel in 1948 *Covenant Brothers* portrays the dramatic rise of evangelical Christian Zionism as it gained prominence in American politics Israeli diplomacy and international relations after World War II According to Daniel G Hummel conventional depictions of the Christian Zionist movement the organized political and religious effort by conservative Protestants to support the state of Israel focus too much on American evangelical apocalyptic fascination with the Jewish people Hummel emphasizes instead the institutional international interreligious and intergenerational efforts on the part of Christians and Jews to mobilize evangelical support

for Israel From missionary churches in Israel to Holy Land tourism from the Israeli government to the American Jewish Committee and from Billy Graham s influence on Richard Nixon to John Hagee s courting of Donald Trump Hummel reveals modern Christian Zionism to be an evolving and deepening collaboration between Christians and the state of Israel He shows how influential officials in the Israeli Ministry of Religious Affairs and Foreign Ministry tasked with pursuing a religious diplomacy that would enhance Israel s standing in the Christian world combined forces with evangelical Christians to create and organize the vast global network of Christian Zionism that exists today He also explores evangelicalism s embrace of Jewish concepts motifs and practices and its profound consequences on worshippers political priorities and their relationship to Israel Drawing on religious and government archives in the United States and Israel Covenant Brothers reveals how an unlikely mix of Christian and Jewish leaders state support and transnational networks of institutions combined religion politics and international relations to influence U S foreign policy and eventually global geopolitics

Restoring the Fortunes of Zion Rob Yule,2017-09-20 Restoring the Fortunes of Zion tells the dramatic story of the reemergence of Israel onto the stage of modern history from the genocidal fury of the Holocaust to its extraordinary survival in face of regional hostility and global contempt It shows how the return of the Jewish people from two millennia of exile realizes with uncanny accuracy the visions of the biblical prophets and explores what this signifies for the future Rob Yule brings together accessible scholarship biblical historical geographical political and theological with strong advocacy to create a book that I found riveting and moving I commend Restoring the Fortunes of Zion to all those who wish for a clearer sense of Israel its emergence from desolation to vitality and those who helped and hindered its progress It is an exceptionally valuable resource

Dame Lesley Max Auckland The publication of Restoring the Fortunes of Zion is extraordinarily timely and vital for our understanding of current world events It enables us to better understand from a biblical perspective what has happened in Israels past what is happening in Israel today as well as what is going to happen to Israel in the future Revd Murray Dixon Palmerston North Rob Yules book weaves together a carefully researched erudite scholarly but eminently readable and fascinating account of Israel He intertwines and interprets the history politics military strategy theology and culture of the region in the past present and future The sweep of his vision is as breath taking as the intriguing subject matter that he covers Revd Owen Hoskin Auckland

Where is Jesus now? David Pawson,2015-10-12 Why is the Ascension such a neglected area of biblical teaching What exactly happened How did the disciples react Why did Jesus go back to heaven What did he do next What is he doing now How does all this connect with our lives today David Pawson explains why the Ascension of Jesus can still be a source of inspiration to every Christian believer
