than willing to learn      **Street Smarts** Bianca Sommerland,2016-10-01 The one time geeky high school teacher Rupert Rip Martinez tries to play the hero it almost costs him his life Maybe he should leave the rescuing to the tough guys like the man who saved him Otto Shriver Tattoos dog tags and a heart of gold Otto is exactly the type of man Rip would go for In his dreams When socially awkward meets carefree and confident it s probably best they go their separate ways Their only excuse to ever see one another again is an adorable pup in need of a good home Unless they really don t need any excuses at all

**Rosemary Entwined** Bianca Sommerland,2015-01-10 The only role of Rosemary s nest of men is to feed her insatiable hunger but that s not what she wants for them Or what they want from her While Rosemary presses for them to live their own lives they each find ways to steal into her heart With the threat of her mother s nest hanging over them Rosemary decides to surrender to the love they offer and focus on building their combined strength to stand against the inevitable attacks When her control over her powers slips another problem arises The nest is incomplete A prince must be chosen and if he is not among her men she ll be forced to let one of them go She once feared her heart wasn t big enough to hold them all Now she fears she s not strong enough to release even one Even if it costs her her life Includes Bonus Short Story Rosemary Mistletoe After surviving a battle with her mother Rosemary is excited about her nest s first Christmas together She has grown to love all seven men even more than she needs them to feed her hunger When they surprise her with a trip just her and her Prince she refuses But does she really want to fight against the seven men who know not only what her heart wants but also what she needs

**Line Brawl** Bianca Sommerland,2016-06-28 Not all fights are one on one In a team no man should stand alone You can t keep me Shawn Easy Pischlar has given his speech so often it should be written on the white board in the Dartmouth Cobra s locker room Too many of his own teammates have heard the words And the games he s played are finally catching up to him To hang on to his freedom Shawn gave up on ever having someone to call his own A young woman who expects nothing from him slips into his life and has him ready to toss the rulebook While the man he loves tempts him to burn it Keeping them both would be easy only caring about them isn t Because when he lets himself care he remembers why he wrote the rules in the first place Every lover from the casual to those who steal a piece of his heart shouldn t expect more than pleasure More than passion Playing the game on and off the ice is his whole world One he isn t ready to change Except life doesn t stop for the game And when old scars are ripped open and he s left bloody and beaten the rules won t help him put the pieces of his life back together To win this fight he ll have to break each and every one

**Damasked (New Rules Trilogy Book Three)** Bianca Sommerland,2021-06-28 The strongest love is woven deep Luther Cross has faced many challenges in his life Building a family with his moody workaholic fiancée self made millionaire Xavier Ashburne has always been the one he s fought hardest for But until their submissive street rat turned fashion prodigy Alexander Tremaine joined them he d been sure he d be fighting alone With all the pieces in place Luther can finally take that next step Put a ring on the finger of the man he loves So long as the rich boy he once was doesn t resurface And rip all their

hopes and dreams apart at the seams      *The End* Bianca Sommerland, A taste and then it was gone Lydia sacrificed her body and her very sanity surrendering her freedom to protect those she loves Within the grasp of the evil she fought to escape she risks losing all that she is in order to spare herself endless suffering Death would be mercy Death would make her sacrifice meaningless Cyrus is more than willing to play with his old toys leaving Lydia with no choice but to endure his twisted games His kindness is worse than his cruelty warping everything she once believed When the only salvation is in the arms of her tormentor her cage becomes a welcome place to hide Love isn't to be trusted But the chains will hold her strong and sure Agony becomes the sweetest relief Pain is a language she understands Sometimes I almost wish I didn't want to hurt you so much But just almost You're most beautiful when you're fighting to stay alive I want to keep you this beautiful forever Cyrus
