The People's Victory is a mirror for each of us to see our own power to fight for justice and create the change we want to see in our world Gavin Newsom Lieutenant Governor of California In 1996 a small group of Americans from all walks of life banded together to create one of the most miraculous political victories in modern American history Opponents attacked the issue of marriage equality as amoral and a direct threat to families Allies warned that it was a generation away from being practicable and a selfish drain of precious political capital A stirring oral history told by those who almost inexplicably found themselves fighting on the front lines The People's Victory recounts the successes and the setbacks that only served to strengthen everyone's resolve to resist fight and bring equal marriage rights to an entire nation Through it all these love warriors found their voice and home in Marriage Equality USA the nation's oldest and largest grassroots organization of its kind While high profile books articles and documentaries have covered the judicial and legislative machinations this book puts a human face on the people who made the everyday personal sacrifices to keep the movement alive The People's Victory shares deeply moving personal testimonies of over sixty people from Marvin Burrows who was forced out of his home and lost many treasured possessions after losing his partner of fifty years to Kate Burns who risked arrest for the first time when she stood up for her relationship to Mike Goettemoeller who pushed his mother in a wheelchair with Marriage Equality USA to fulfill her dream of marching in a Pride parade Edie Windsor the triumphant lead plaintiff in the Supreme Court case United States vs Windsor recounts shouting down a major LGBTQ organization with I'm 77 years old and I can't wait when they attempted to belittle marriage as a

critical issue Writer and producer Del Shores shares the touching moment his young teenage daughter used tears and laughter to console him after the passage of Proposition 8 in California dealt a blow to the cause The People s Victory is an inspirational roadmap for anyone who has felt passionately about an issue but has questioned whether one person s contribution can make a difference These candid accounts once again prove that every movement for important social change must be built on the acts of everyday In fact that is the only way the people have ever been victorious In his introduction California Lieutenant Governor Gavin Newsom writes I hope these stories inspire you to resist to fight to win and in the end write the next stories in our continuing push for a more just and perfect union **The Engagement** Sasha

Issenberg,2022-05-31 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The riveting story of the conflict over same sex marriage in the United States the most significant civil rights breakthrough of the new millennium Full of intimate details battling personalities heated court cases public persuasion John Williams The New York Times On June 26 2015 the U S Supreme Court ruled that state bans on gay marriage were unconstitutional making same sex unions legal across the United States But the road to that momentous decision was much longer than many know In this definitive account Sasha Issenberg vividly guides us through same sex marriage s unexpected path from the unimaginable to the inevitable It is a story that begins in Hawaii in 1990 when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage In the White House one president signed the Defense of Marriage Act which elevated the matter to a national issue and his successor tried to write it into the Constitution Over twenty five years the debate played out across the country from the first legal same sex weddings in Massachusetts to the epic face off over California s Proposition 8 and finally to the landmark Supreme Court decisions of United States v Windsor and Obergefell v Hodges From churches to hedge funds no corner of American life went untouched This richly detailed narrative follows the coast to coast conflict through courtrooms and war rooms bedrooms and boardrooms to shed light on every aspect of a political and legal controversy that divided Americans like no other Following a cast of characters that includes those who sought their own right to wed those who fought to protect the traditional definition of marriage and those who changed their minds about it The Engagement is certain to become a seminal book on the modern culture wars *Hi Honey, I'm Homo!* Matt
