MINISTRY AND YOUR ANCESTRY The battles of life are common to all and sundry therefore the fact that you are a minister does not erase your ancestral roots To this end many pastors ministers and church leaders are ignorant of the impact ancestral factors have on the lives of men and women of God A lot of ministers who have failed in the ministry could not really understand the reasons behind their failures Some are even blinded to the fact that they have battles to fight These battles are deeply entrenched in the foundations of many ministers of the gospel and if something is not done urgently many more will die miserably without fulfilling their destinies While the battles and challenges faced by those who are not ministers are ordinary the battles faced by ministers are complicated and advanced in nature This book exposes you to those battles how to tackle them and it explains what you need to do to deal with them and be permanently free from them Be blessed on this journey of discovery and recovery
