Daughters Of God Scriptural Portraits:

Daughters of God S. Michael Wilcox, 2005-04-01 Why was Deborah called upon to save her people How did Priscilla and Claudia help with spreading the gospel The scriptures are filled with the stories of women spiritual giants who played vital roles in sacred events and everyday women who quietly helped to change their world for the better Because the record of their lives is often sketchy we may not realize how important they are This book shares the inspiring stories of the women who have played key roles in spiritual and historical events Eve Rebekah Ether Mary Dorcas Sariah Emma Smith and many others

The Sisterhood Dorothy Allred Solomon, 2025-10-16 Many hold a deep fascination with Mormonism but erroneously think of it as a secret religion that celebrates polygamy and confinement Most outsiders regard Latter day Saint women as submissive and pitiable In The Sisterhood award winning author Dorothy Allred Solomon takes us inside the lives of women of the faith She focuses on the roles of Mormon women in the nineteenth twentieth and twenty first centuries including fascinating personal stories about family children and husbands She takes us into the lives of the High Priestesses of the Church draws on histories sustained by the most thorough genealogical records in the world and addresses the wives of polygamists The Sisterhood sheds light on an expanding and complex religion and offers a long overdue portrait of Mormonism and women

Gospel Portraits K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church s participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God s word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God s new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel

Portraits of God Allan Coppedge, 2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator

These portraits taken together give us an understanding of the Holy One for which no single category is adequate. These images work their way through the whole of Scripture. They are the doorway allowing us into the mysteries of God's very being. In *Portraits of God*, Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us as churches and individuals to reflect God's own holy character. This is a book for students, pastors, and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in *Portraits of God* a treasure of scholarship and truth.

Female Scripture Characters; exemplifying female virtues ... Twelfth edition. [With a portrait.] Frances Elizabeth KING (Wife of Rev. Richard King.), 1833 **The Preacher's Portrait** John Stott, 2017-11. What this book is concerned with are the words used in the New Testament to describe preachers and the task of preaching from author's preface. *Grove Chapel Pulpit. (Sermons.) [With a Portrait.]* Thomas Bradbury (Minister of Grove Chapel, Camberwell.), 1879 **Mary the Perfect Contemplative: Carmelite Insights on the Interior Life of Our Lady** Barbara Hughes, 2022-04-25. Mary the Perfect Contemplative is a fresh and beautiful portrait of the Mother of God. From her immaculate conception to her bodily assumption into heaven, Mary was set apart by God as the vessel of humanity's redemption. Thrice favored as daughter of the Father, mother of the Son, and spouse of the Holy Spirit, Mary was endowed with supernatural gifts that enabled a contemplative life of grace. Unlike us, she was conceived without sin. Yet her reliance on faith without the full vision of God's plan of salvation during her earthly life makes her for us the perfect model of faith. Pondering in her heart the mysteries she encountered throughout her life, she is the perfect contemplative. Author Barbara Hughes O.C.D.S. looks to Sacred Scripture as the primary and essential reference for her portrait of our Lady. For colorful detail, she draws on two thousand years of Sacred Tradition sourced in the writings of the church fathers, saints, and theologians. Finally, Hughes finds further depth and exquisite details of Mary's interior life in the mystical writings of the Carmelite saints and Doctors of the Church. The saints of Carmel, the canonized brothers and sisters of Our Lady of Mount Carmel, are invaluable guides that help us navigate the mystical waters of contemplation and union with God, which Mary exemplifies. Saints John of the Cross and Teresa of Jesus teach us the importance of living by faith, especially when God appears to be absent or when his plans are veiled to the eyes of even the holiest people, such as Mary. This book is for all of Mary's beloved children to offer them an intimate portrait of their Blessed Mother. **Portrait of a Powerful Last-Day Christian** David Garcia, 2014-06-11. *Portrait of a Powerful Last Day Christian* is a powerfully written, anointed handbook to the last day Christian on overcoming these end times. Not only does God have provision for the believer in these evil times, but the Holy Spirit will help you take back what the devil has stolen from you.
