Defiant Grace The Suprising Message And Mission Of Jesus:

Defiant Grace Dane Ortlund, 2011 Dane Ortlund takes us through each of the four gospels one chapter on each directing attention to what Christ did and taught reminding us of His wonderful love This is done by highlighting what Bryan Chapell calls high octane grace the kind of grace that makes disciples so love the Saviour that they will give their lives for Him Here is a picture of defiant grace attractively and compellingly presented The open welcome of divine grace that Jesus offered open to anyone who would simply leave their moral resume at home is not predictable It is not safe It is defiant In each Gospel the message and mission of Jesus is deeply surprising In Matthew we see the surprise of disobedient obedience In Mark we see the surprise of the king undergoing the fate of a criminal In Luke we see the surprise of the insiders becoming outsiders and the outsiders becoming insiders In John we see the surprise of the Creator of the universe becoming one of his own creatures Such surprises confound our law marinated hearts But the good news that Jesus won with his own blood will not be tamed This good news is defiant This book exists to exult in this good news and the scandalous mercy Jesus loves to pour out on needy sinners on people like you and me **Themelios, Volume 38, Issue 2** D. things stuffed in our spiritual junk drawers And as with that stash of old clothes in the closet or that stew of phone chargers pens and half used batteries sitting in your kitchen drawer something in us says This might be useful And so we hold on But should we For many this junk drawer spirituality has become burdensome We are worn down by the religious experience it creates and frustrated by a collection of traditions truths and unfulfilled promises that continue to grow In Junk Drawer Jesus the spiritually exhausted are invited to examine our religious clutter and compare it to the person and the promises of Jesus Christ We ll discover what if anything of our spiritual collection should be kept In the process we rediscover the soul satisfying simplicity of a God who refuses to fill our lives with junk but instead offers grace upon grace **Cheating Death**

The Precarious Church Martyn Percy, 2023-05-19 What is the biggest threat facing churches today Not enough young people Too little mission and evangelism Unsustainable buildings Unappealing styles of worship Not enough diversity Whatever the reasons the church today seems to exist in a state of anxiety concerned with its self preservation In this bold and hopeful book Martyn Percy argues that a being a broken church is in fact good news as it is only through the cracks that the overwhelming abundance of God can shine through This collection of essays and reflections considers what it means to be a precarious church The term suggests uncertainty and peril yet it is rooted in the Latin *precatio* meaning prayer It argues that the Church's vocation is not to be successful or even to survive but to be precarious liminal unpredictable and mysterious a place of encounter with the holy The questions that should consume us are not how shall we remove the risks and alleviate our anxieties but rather how shall we live in this age of uncertainty Every age has had its uncertainties and this inspiring volume explores what faithfulness to each other and to God looks like in an age of anxiety
