Sommervold, 2021-11-30 This book helps break down and analyze the process of solid decision making From the examination of decisions that went poorly to a concrete set of steps to consider when making new decisions the process in this book helps decision makers feel confident in their decisions and be able to communicate their process clearly Using the process of moral imagination to make decision includes gathering all perspectives imagining creative solutions and choosing empathetically While looking at real world predominantly education based examples readers are encouraged to see where decisions fell apart and learn how to plan around blind spots This process includes solutions for common decision making mistakes and ways to reflect and improve on what is to come [Your True Moral Compass](#) Joseph L. Badaracco, 2023-10-09 This book presents a new powerful and practical way of making final decisions on the hard complex uncertain problems of life and work What if you have looked at the data talked with trusted colleagues and applied all the relevant managerial and ethical frameworks but you still don't know what is right How should you make your final decision This crucial question is rarely asked or answered And some standard answers follow your moral compass your conscience or your values offer more inspiration than practical guidance This book argues that when we make final hard decisions we learn what is right by defining personally what is right We find moral clarity by creating it The book presents a fresh challenging and practical perspective on our hardest decisions It offers a new conceptual approach for teachers and scholars and practical guidance for leaders and managers *Defining Moments* Kate Radford, 2007 *Defining Moments*, 2001

Defining Moments Sishman Rimpson, 2023-06-16 Defining Moments are the everyday responses to the happenings in a person's life that have defined who they are in the present These moments have left a lasting impression that have shaped the way we think our drive or lack thereof Defining moments summed up are our responses to life and the cards we've been dealt Are we going to use these moments as excuses to lose or as motivation to win I call heaven and earth to record this day against you that I have set before you life and death blessing and cursing therefore choose life that both thou and thy seed may live Deuteronomy 30:19 [Defining Moments](#) Nanice Ellis, 2008-01-01 [Defining moments](#) Jerome Symons, 2001
