canonical contexts The ultimate aim of this study is to gain a deeper understanding of the God whom the church worships and confesses to be the Father of Jesus Christ Particularly pertinent is the finding that many OT prayers interact with God's nature as revealed to Moses in Exod 34 6 7 Yhwh's fullest revelation is also given in the context of an intercessory prayer Widmer argues that intercessory prayer and theology have a hermeneutical spiral relationship mutually informing and correcting each other It is in engaging with a loving and holy God that the phenomenon of divine mutability must be understood Overall Standing in the Breach suggests that fundamental biblical themes such as God's mercy and judgment divine retribution and forgiveness covenant mediation substitutionary suffering and atonement and eventually the dynamics of the cross are all intrinsically related to and illuminated by prophetic OT intercessory prayers
