Honnold's Uniform Law for International Sales under the 1980 United Nations Convention John Honnold,Harry M. Flechtner,2021-08-09 The United Nations Convention on Contracts for the International

Sale of Goods CISG has become the key framework for drafting international sales contracts and resolving resulting disputes. The remarkable progress of this epoch making uniform international law calls for a new edition the fifth of the late Professor Honnold's preeminent commentary now issued under the authoritative hand of Harry M Flechtner editor of the fourth edition and a National Correspondent for the United States at UNCITRAL. Professor Flechtner updates Professor Honnold's in depth article by article exposition addressing newly arising issues and taking into account the numerous decisions and scholarly analyses that have focused on the CISG in the twelve years since the last edition in 2009. Also expertly updated is Professor Honnold's masterly overview of the development and implementation of the text of the CISG as well as his authoritative insights into the underlying principles and purposes of the treaty. Taking into account the myriad variations among distinct legal systems the commentary expertly treats all crucial aspects of sales contracts including the following: delivery of the goods and handing over of documents; conformity of the goods and third party claims; obligations of the parties; payment of the price; taking delivery; anticipatory breach; instalment contracts; remedies for breach of contract; damages; interest; exemptions; limits and effects of avoidance; preservation of the goods and risk of loss. The CISG is widely regarded as the most significant body of international sales law and the most successful international commercial treaty in history. This new edition provides tribunals, practitioners and scholars invaluable up to date insights into the meaning of each article of the Convention. The multitude of authorities consulted many dating from the past few years will continue to influence the promotion of international sales contract uniformity, encourage the settlement of disputes and help to reinforce consensus in the application of the Convention.
