Dad is cool 2 Marcos Piangers,2016-11-29 Marcos Piangers will put us in the backseat between his daughters Anita and Aurora as tells us more stories some are moving some are funny and others are just plain disgusting They re all about this completely common and extremely extraordinary thing called being a dad Nobody has children to get benefits discounts tax deductions or free balloons at the mall Children can deplete your savings account and cut short your hours of sleep They ll get your new shirts dirty and draw on your walls Actually there s only one reason why we have children to learn how to love other people more than you love yourself

Dad Rocks Marcos Piangers,2015-12-05 Now also as an exciting movie available on Amazon Prime So you re gonna be a father You know you need to buy a bigger house You need more room for the child You need more than a one bedroom apartment You must have a new crib you can t use the one your neighbor said you could borrow And you know you gotta replace your car It must have six airbags at least It must come with an AC straight from the manufacturer What comedian Marcos Piangers found out when he became a young parent is that all these concerns don t make any difference It s not worth it to pay for the best daycare if you re the last one picking up your child It isn t about buying the most expensive gifts because children really like playing games that are available for free What the entertaining and emotional stories in Dad s Cool show us is that deep down you only need to be there not physically there while thinking about something else but REALLY there
