Desperately Seeking Solutions David J. Hunter,2018-10-08 Following the Governments health reforms in 1991 rationing has been put firmly on the agenda This book identifies and clarifies the numerous political and ethical issues surrounding rationing in healthcare Drawing upon international examples it offers a critical overview of the approaches to rationing and makes practical proposals for its management Desperately Seeking Solutions challenges the assumption that all health services are inherently subject to rationing as demand invariably outstrips supply and examines this within a comparative framework The author critically evaluates the extent to which rationing has always existed and should exist within the NHS although until recently it operated on an implicit rather than explicit basis and was bound up with clinical judgements rather than purely financial considerations The author questions whether calls for explicit rationing are actually desirable and potentially feasible

Social Work and the Courts Daniel Pollack,Toby G. Kleinman,2015-10-19 Social Work and the Courts is a collection of important and cutting edge court decisions in the field of human services now in its third edition Pollack and Kleinman present an array of legal cases in everyday language with clear explanation of the facts and issues and in depth examinations of the reasoning and implications of each decision This new edition includes over twenty new cases all of which happened between 2010 and 2014 making this one of the most significant and timely investigations of how social work and the law intersect Special attention is paid to recent rulings in child welfare and social worker liability The dissection and analysis of these influential cases makes this volume an excellent teaching tool and an essential resource for both social workers and policy makers

Case Studies in Generalist Practice Robert F. Rivas,2000

This book is a compilation of real cases submitted by social workers and faculty teaching social work courses. The cases help students understand how clients, issues, and agencies interact as well as see how that understanding connects with the actual doing of generalist social work practice. The cases reflect a broad range of courses in the social work curriculum. Social Case Work Columbia University. School of Social Work, 1933

Case Studies in Generalist Practice Robert F. Rivas, 1996

This new book is a compilation of actual cases submitted by social workers and faculty teaching social work courses. The authors Robert Rivas and Grafton Hull selected cases that would best help students acquire the range of skills they'll need to become effective helpers such as how to apply what they learn and how to determine what to do to offer the client maximum help. This case study approach enables students to participate in learning experiences prior to field instruction courses and it also provides opportunities to discuss common experiences. Published in workbook form, each case includes helpful guidelines in the form of questions that can be used to help students in their analyses and learning.
