Reconstruction in Mississippi, 1862-1877 Jere Nash, 2025-08-15. Throughout the ten year period following the end of the Civil War, Mississippians responded to broader movements in the country, to changes in the national and international economy, and to congressional and presidential initiatives as they worked to recover from the devastation of war and pursue new expressions of freedom. *Reconstruction in Mississippi 1862-1877* is a compelling account of how Black Mississippians embraced this freedom and how white Mississippians could not. Recording the mechanics of how the Confederate states were allowed to resume representation in Congress, the restoration of civil governments, and the political freedoms the formerly enslaved people acquired, *Reconstruction in Mississippi 1862-1877* documents the ways economic freedoms, such as the acquisition of land and the negotiation of fair labor contracts, evolved. Jere Nash begins this exploration with how the formerly enslaved men and women changed the political landscape for Abraham Lincoln by taking matters into their own hands as the Union Army moved into Mississippi in 1862. Nash then traces the federal occupation of the state, the adoption of the infamous Black Codes by the state legislature in 1865, the drafting and approval of the new constitution in 1869, the selection of the first two Black men ever to serve in the United States Senate, and the use of terror and fraud by white Democrats to steal the election of 1875 and regain political power. *Reconstruction in Mississippi 1862-1877* is a detailed and comprehensive history of this turbulent and eventful era in Mississippi.

The Age of Lincoln and Cavour Enrico Dal Lago, 2015-02-19. In the 19th century, both Italy and the US were young countries pursuing liberal nationalism, even as unity was threatened by a recalcitrant southern population. This nuanced analysis of abolitionism and Italian democratic nationalism, Lincoln and Cavour, and the nation's two civil wars, provides powerful new insights into their histories.
