Courage Is Contagious:

"Courage is Contagious." ,1962 **Courage Is Contagious** John Kasich,1999-10-19 A modern day Profiles in Courage about twenty people who are doing heroic things to improve the lives of their fellow Americans Now available in trade paperback Courage Is Contagious is a remarkable document about everyday people helping to reshape America Written by Congressman John Kasich the book profiles twenty men and women from across the country who have through their own courage determination and generous hearts attempted to improve the lot of their fellow citizens The values they exhibit Congressman Kasich argues are the very values we as a society need to encourage and support if we are to end our nation s divisiveness and fulfill its glorious promise Among the people Kasich writes about are Cheryl Krueger who started a successful cookie business that puts people ahead of profits by employing women who often wouldn t be given a chance by other companies and Dr Jack McConnell who shocked by the poverty outside his neighborhood organized over one hundred retired doctors nurses and dentists to create a free medical clinic that now serves over ten thousand people in the Hilton Head area of South Carolina and has inspired similar volunteer programs nationwide A heartfelt and optimistic message in a world grown increasingly distrustful Courage Is Contagious offers hope and inspiration to all who read it [The Rotarian](#) ,1940-04 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine [Courage Is Contagious](#) Smart Start Llc,2021-03-24 **The Rotarian** ,1940-04 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **The Heart of the Good Institution** Howard Harris,Gayathri Wijesinghe,Stephen McKenzie,2012-12-14 This book addresses the question how can institutions develop and maintain a good purpose And how can managers contribute to this endeavour Twelve contributions explore this question using MacIntyrean inquiry as a basis for exploring four main themes Can management be considered a practice in the MacIntyrean sense What is the role of specific virtues in the development of a virtuous institution What are management vices and what are the conditions in which they flourish And can we use MacIntyrean ideas to consider the management of all forms of institutions The volume is an international and multidisciplinary collection with contributions from well known writers in the field of management ethics and innovative contributions that use MacIntyrean inquiry as a lens to examine fields such as hospitality user generated music content and social sustainability The papers are unified by their concern for the achievement of organizational excellence and integrity through ethical management Unlike single author texts this edited volume brings together multiple perspectives on the topic of virtue ethics in management In doing so it explores the topic both more deeply and more widely

than a single author can do Because of its breadth this book has the potential to become a turn to research tool for those interested in virtue theory s relevance to other academic interests such as organizational behavior including motivation theory and social psychology literature contemporary social issue criticism and business management Editors Harris Wijesinghe and McKenzie have crafted a tight slim and thematically consistent volume that will be indispensable to scholars and students with twin interests in business and virtue ethics In particular those working with MacIntyre s ideas will find the thorough and complimentary explorations and applications of his ideas to serve overall as a cornerstone for their own work Brenden E Kendall 2014 Harris H Wijesinghe G McKenzie S Eds 2013 *The Heart of the Good Institution Virtue Ethics as a Framework for Responsible Management* Dordrecht The Netherlands Springer in Michael Schwartz Howard Harris ed *Achieving Ethical Excellence Research in Ethical Issues in Organizations Volume 12* Emerald Group Publishing Limited pp 155 161

The Samaritan's Dilemma Deborah Stone, 2008-07-01 Politics has become a synonym for all that is dirty corrupt dishonest compromising and wrong For many people politics seems not only remote from their daily lives but abhorrent to their personal values Outside of the rare inspirational politician or social movement politics is a wasteland of apathy and disinterest It wasn't always this way For Americans who came of age shortly after World War II politics was a field of dreams Democracy promised to cure the world's ills But starting in the late seventies conservative economists promoted self interest as the source of all good and their view became public policy Government's main role was no longer to help people but to get out of the way of personal ambition Politics turned mean and citizens turned away In this moving and powerful blend of political essay and reportage award winning political scientist Deborah Stone argues that democracy depends on altruism not self interest The merchants of self interest have divorced us from what we know in our pores we care about other people and go out of our way to help them Altruism is such a robust motive that we commonly lie cheat steal and break laws to do right by others After 3:30 you're a private citizen one home health aide told Stone explaining why she was willing to risk her job to care for a man the government wanted to cut off from Medicare *The Samaritan's Dilemma* calls on us to restore the public sphere as a place where citizens can fulfill their moral aspirations If government helps the neighbors citizens will once again want to help govern With unforgettable stories of how real people think and feel when they practice kindness Stone shows that everyday altruism is the premier school for citizenship Helping others shows people their common humanity and their power to make a difference At a time when millions of citizens ache to put the Bush and Reagan era behind us and feel proud of their government Deborah Stone offers an enormously hopeful vision of politics

Trump's Trials Kevin Sullivan, Mary Jordan, 2020-08-25 Sets a standard for political storytelling with impeccable research and lively writing Kirkus Reviews starred review Page turning riveting colorful and detailed a barometer of the health of our democracy Barbara McQuade *The Washington Post* Two investigations Two impeachments Two acquittals One president The full story Unprecedented Unimaginable Until Donald Trump's presidency A year apart two ferocious political dramas challenged

American democracy As Pulitzer Prize winning Washington Post reporters Kevin Sullivan and Mary Jordan show in this gripping account the two Trump impeachments and acquittals shared common threads An American president relentless in his drive to win re election willing to disregard the laws that limit his powers no matter the cost A divided Congress split along party lines unable to agree on whether Trump s actions met the Constitutional standard for removal from office The Constitution itself tested in ways that its framers had not anticipated Trump s Trials is an expanded version of Trump on Trial Sullivan and Jordan s compelling and masterful 2020 account of the first impeachment That narrative a crisp page turner with exquisite detail and vivid scenes deftly conveyed the calculations of the central gures in particular Speaker of the House Nancy Pelosi and Republican Senate leader Mitch McConnell The authors have added three new chapters and revised others to carry the narrative through the 2020 presidential election of Joe Biden Trump s feverish attempts to overturn Biden s victory his supporters deadly attack on the Capitol as Congress was certifying the electoral votes Trump s second impeachment and acquittal but this time with seven Republican senators voting against him Sullivan and Jordan aided by editor Steve Luxenberg have written a fast paced authoritative account of the historic events that rocked America an invaluable examination of what happened and why
