Custer And His Wolverines The Michigan Cavalry Brigade 1861 1865:

Custer And His Wolverines Edward Longacre, 2004-09-29 George Armstrong Custer who famously made his last stand at the Battle of the Little Bighorn in 1876 first achieved notoriety more than ten years earlier for his daring military exploits during the Civil War Graduating last in his class in 1861 from West Point he quickly joined the fighting and went on to take part in nearly every major battle of the war In 1863 he was promoted brigadier general the youngest general in the Union army and given charge of the Michigan cavalry brigade which he dubbed Wolverines The Wolverines fought ferociously from 1863 to the end of the war under its flamboyant commander Longacre covers in dramatic detail the brigade's critical defense of the Union line at Gettysburg and the brigade's key role in surrounding Lee's army at Appomattox By war's end the Wolverines had gained the respect and admiration of the entire Union army for its bravery and the brigade's famous red ties emulating Custer had become a well known badge of pride and honor A fine study of this famous command a worthy addition to Longacre's previous works *Blue Gray Magazine*

The Civil War Memoirs of a Virginia Cavalryman Robert T. Hubard, 2007-01-07 A witness who brings remarkable life and color to the Civil War in the East Robert Hubard was an enlisted man and officer of the 3rd Virginia Cavalry in the Army of Northern Virginia CSA from 1861 through 1865 He wrote his memoir during an extended convalescence spent at his father's Virginia plantation after being wounded at the battle of Five Forks on April 1 1865 Hubard served under such Confederate luminaries as Jeb Stuart Fitz Lee Wade Hampton and Thomas L Rosser He and his unit fought at the battles of Antietam on the Chambersburg Raid in the Shenandoah Valley at Fredericksburg Kelly's Ford Chancellorsville Gettysburg Bristoe Station and down into Virginia from the Wilderness to nearly the end of the war at Five Forks Hubard was like many of his class and

station a son of privilege and may have felt that his service was an act of noblesse oblige Unlike many of his contemporaries however he was a keen observer and a writer of unusual grace clarity humor and intelligence The editor has fleshed out his memoir by judicious use of Hubard s own wartime letters which not only fill in gaps but permit the reader to see developments in the writer s thinking after the passage of time Because he was a participant in events of high drama and endured the quotidian life of a soldier Hubard s memoir should be of value to both scholars and avocational readers One of Custer's Wolverines James Harvey Kidd,2000 Primarily known for his postwar exploits most famously for his 1876 defeat at Little Big Horn George Armstrong Custer led a formidable cavalry that became known as Custer s Wolverines This volume presents the Civil War letters of one of those Wolverines James H Kidd *Grand Rapids and the Civil War* Roger L. Rosentreter,2018-04-09 Grand Rapids responded to President Abraham Lincoln s call for troops with passionate swiftness Kent County men fought stubbornly on memorable battlefields like First Bull Run Stones River and Gettysburg as well as obscure places like Boonville La Vergne and Mossy Creek An affinity for cavalry earned Grand Rapids the moniker Michigan s Horse Soldier City while Valley City engineers designed and constructed spectacular railroad bridges throughout the South Back home the soldiers mothers wives and sisters faced the conflict s many challenges with patriotic doggedness Dr Roger L. Rosentreter chronicles how Grand Rapids citizens responded to wartime trials and tribulations while helping the North save the Union and end slavery Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe,2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry s disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer s tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer s experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876 77 and the Seventh Cavalry s pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts *The Real Custer* James S. Robbins,2014-06-23 The Real Custer takes a good hard look at the life and storied military career of George Armstrong Custer from cutting his teeth at Bull Run in the Civil War to his famous and untimely death at Little Bighorn in the Indian Wars Author James Robbins demonstrates that Custer having graduated last in his class at West Point went on to prove himself again and again as an extremely skilled

cavalry leader Robbins argues that Custer's undoing was his bold and cocky attitude which caused the Army's bloodiest defeat in the Indian Wars Robbins also dives into Custer's personal life exploring his letters and other personal documents to reveal who he was as a person underneath the military leader The Real Custer is an exciting and valuable contribution to the legend and history of Custer that will delight Custer fans as well as readers new to the legend Custer 1861-1865 Paul D. Walker, 2012-09 George Armstrong Custer stands as the classic example of a fallen American hero During his lifetime he was revered by a grateful nation as the youngest bravest most colorful and most successful general of the Civil War Then almost immediately after his death at the Little Bighorn he was reviled as an incompetent immature butcher who had recklessly led his regiment into a needless slaughter in the search for glory In *The Custer America Forgot 1861-1865* author Paul D Walker narrates the untold story of the young general a man who had a special fearless determination and natural ability to win battle after battle for Union forces and who led more than one hundred battles that produced significant victories Thoroughly researched this study takes an in depth look at Custer his birth in 1839 his childhood his schooling at West Point his young adulthood his exploits as a military leader his marriage to Libby and his legendary last stand Walker reveals the story of one of the United States Greatest national heroes and restores Custer to his rightful place in American history *The Boy Generals: George Custer, Wesley Merritt, and the Cavalry of the Army of the Potomac, Volume 2* Adolfo Ovies, 2023-10-19 Al Ovies combines an impressive array of source material and intricate analysis to craft a historical gem This is a must read for anyone interested in Civil War cavalry and later war actions in the Eastern Theater Scott Patchan author of *The Last Battle of Winchester* The second installment of Al Ovies The Boy Generals trilogy George Custer Wesley Merritt and the Cavalry of the Army of the Potomac from the Gettysburg Retreat through the Shenandoah Valley Campaign of 1864 encompasses a period jammed with tumultuous events for the cavalry on and off the battlefield and a significant change of command at the top Once below the Potomac River the Union troopers raced down the east side of the Blue Ridge Mountains but were unable to prevent General Lee's wounded Army of Northern Virginia from reaching Culpeper The balance of the 1863 was a series of maneuvers raids and fighting that witnessed the near destruction of the Michigan Cavalry Brigade at Buckland Mills and the indecisive and frustrating efforts of the Bristoe Station and Mine Run campaigns Alfred Pleasonton's controversial command of the mounted arm ended abruptly only to be replaced by the more controversial Philip H Sheridan whose combustible personality intensified the animosity burning between George Custer and Wesley Merritt Victory and glory followed the Cavalry Corps during the early days of Overland campaign particularly at Yellow Tavern where Rebel cavalier Jeb Stuart was mortally wounded The spirited rivalry between Custer and Merritt in turn took a turn for the worse At Trevilian Station the bitterness and rancor permeating their relationship broke into the open to include harsh official reports critical of the other's actions Merritt's elevation to temporary command of the 1st Cavalry Division cemented their rancor Just as their relationship worsened so too did the tenor of the war darken as the sieges of Richmond and Petersburg ground on and Confederate

partisan Col John S Mosby intensified guerrilla operations that disrupted Union logistics in the Shenandoah Valley When Gen Ulysses Grant demanded that Sheridan escalate retribution the cavalry commander delivered his infamous edict to eat out Virginia clear and clean as far as they go so that crows flying over it for the balance of the season will have to carry their provender with them Much of the gritty task fell on the shoulders of the boy generals Adolfo Ovies well researched and meticulously detailed account of the increasingly dysfunctional relationship between Custer and Merritt follows the same entertaining style in the first installment The Boy Generals changes the way Civil War enthusiasts will understand and judge the actions of the Union s bold riders
