Daddy Said A Word I Never Heard The Daddy Series:

Daddy Said a Word I Never Heard Scott M. Cohn, 2015-11-03 In the companion to *Daddy Sat on a Duck* author/illustrator Scott M. Cohn gives readers another look at a true to life daddy story that shows the real life struggles of families whose Daddy's have a potty mouth. Daddies know all kinds of fun words but how can a kid know which words are good and which ones are BAD? In this refreshingly authentic story that will resonate with every modern family, one little girl takes Daddy's accidental language lessons to school and learns a very different lesson from her teacher. **Twelve Gates to the City**

Daniel Black, 2011-12-06 A novel of self-discovery, family bonds, and the healing of one small southern town. *Twelve Gates to the City* is the much anticipated sequel to Black's acclaimed debut *They Tell Me of a Home*. In this novel, Sister assumes the voice of the narrator speaking from the spirit realm, telling her brother TL things he could have never known about their family. She constructs the story as a series of spiritual revelations, exposing to readers both who she was in the years of TL's absence and how every event in his life was an orchestration for his return. TL, in the meantime, is back in Swamp Creek to stay this time, but he's still haunted by his sister's death. His decision to become the Schoolmaster is the only thing he's sure about, and his impact upon the students becomes palpable. But he still doesn't know what happened to Sister. As he searches for ultimate truth, he discovers the secrets and beauty of Swamp Creek. *Twelve Gates to the City* is a novel about spiritual revelation and communal healing, ushered in by one who finally realizes that his gifts were bestowed upon him not for his own glory, but for the transformation of his people. **Tarzan and Jane's Guide to Grammar** Mark Phillips, 2018-06-27

Mark Phillips has taught at Northwestern University, had worked as an editor in the publishing field for more than 30 years, and is the author of eight books. Napper, 2023-08-23 Young Jim Stone and his adolescent friends are growing up and coming of age in a working class neighborhood in Nashville, Tennessee, in the early 1960s.
