Confederate Odyssey Gordon L. Jones,2014-11-15 Throughout his life Atlanta resident George W Wray Jr 1936 2004 built a collection of more than six hundred of the rarest Confederate artifacts including not just firearms and edged weapons but also flags uniforms and accoutrements Today Wray s collection forms an integral part of the Atlanta History Center s holdings of some eleven thousand Civil War artifacts Confederate Odyssey tells the story of the Civil War through the Wray Collection Analyzing the collection as material evidence Gordon L Jones demonstrates how a slave based economy on the cusp of industrialization attempted to fight an industrial war The broad range of the collection includes many

rare or one of a kind objects such as a patent model and early inventions by gun maker George W Morse the bloodstained coat of a seventeen year old South Carolina soldier battle flags made of cloth imported from England and arms made in Georgia the heart of the Confederacy s burgeoning military industrial complex As Civil War history Confederate Odyssey benefits from the study of material remains as it bridges the domains of professional scholars and amateur collectors such as Wray The book tells of the stories significance and context of these artifacts to general readers and Civil War buffs alike The Wray Collection is more than a gathering of relics it is a tale of historical truths revealed in small details **Painting**

Dissent Sophie Lynford,2022-09-20 A revelatory history of the first artist collective in the United States and its effort to reshape nineteenth century art culture and politics The American Pre Raphaelites founded a uniquely interdisciplinary movement composed of politically radical abolitionist artists and like minded architects critics and scientists Active during the Civil War this dynamic collective united in a spirit of protest seeking sweeping reforms of national art and culture Painting Dissent recovers the American Pre Raphaelites from the margins of history and situates them at the center of transatlantic debates about art slavery education and politics Artists such as Thomas Charles Farrer and John Henry Hill championed a new style of landscape painting characterized by vibrant palettes antipicturesque compositions and meticulous brushwork Their radicalism however was not solely one of style Sophie Lynford traces how the American Pre Raphaelites proclaimed themselves catalysts of a wide ranging reform movement that staged politically motivated interventions in multiple cultural arenas from architecture and criticism to collecting exhibition design and higher education She examines how they publicly rejected their prominent contemporaries the artists known as the Hudson River School and how they offered incisive critiques of antebellum society by importing British models of landscape theory and practice Beautifully illustrated and drawing on a wealth of archival material Painting Dissent transforms our understanding of how American artists depicted the nation during the most turbulent decades of the nineteenth century Carl Guthertz Marilyn
