Curly Lambeau Building The Green Bay Packers Badger Biographies Series:

Curly Lambeau Stuart Stotts, 2007-08-18 When Earl Curly Lambeau was a young boy growing up in Green Bay in the early 1900s he and his friends didn't have money for a football. Instead they kicked around a salt sack filled with sand, leaves and pebbles. That humble beginning produced a single minded drive for the figure whose name now graces the Green Bay Packers stadium. This title in the Badger Biographies series charts the course of Curly Lambeau's career as a flamboyant player and coach which paralleled the rise of professional football in this country. Lambeau revolutionized the way football is played by legitimizing passing in a game that had previously centered on running. His dedication to popularizing football in Green Bay and in the state helped build the Packer organization into the institution it has become. Yet he was not without flaws and this biography presents a full picture of a man whose ambitions complicated his legacy. *Curly Lambeau* Stuart Stotts, 2014-02-20 When Earl Curly Lambeau was a young boy growing up in Green Bay he and his friends didn't have money for a football. They kicked around a salt sack filled with debris. That humble beginning produced a single minded drive for the figure whose name now graces the Green Bay Packers stadium. This newest title in the Badger Biographies Series charts the course of Curly Lambeau's career as a flamboyant player and coach which paralleled the rise of professional football in this country. Lambeau revolutionized the way football is played by legitimizing passing in a game that had previously centered on running. His dedication to popularizing football in Green Bay and in the state helped build the Packer organization into the institution it has become. Yet he was not without flaws and this biography presents a full picture of a man whose ambitions complicated his legacy. **Wisconsin Magazine of History**, 2007 **Belle and Bob La Follette** Bob Kann, 2008-08-21 The most famous couple in Wisconsin politics. Fighting Bob La Follette and his wife Belle Case La Follette come to life in the pages of the newest addition to the Badger Biographies series for young readers. In an accessible format that includes historic images, a glossary of terms and sidebars explaining political concepts, students learn about Progressive politics and reform in the early 20th century through the experiences of this pioneering couple. The father of Progressive politics, Bob La Follette, was famous for digging in his heels when it came to reforming government corruption. He also gained a reputation for fiery speeches on the campaign trail and on the Senate floor. Belle La Follette was political in her own right. The first woman to graduate from the University of Wisconsin's Law School, she was an advocate for world peace and an agitator for the women's vote. She was also Bob's most trusted political advisor. Together the couple raised a family and fought for the changes they believed would make the world a better place. **Caroline Quarlls and the Underground Railroad** Julia Pferdehirt, 2014-02-20 On July 4th, 1842, Caroline Quarlls left family, friends and the only life she'd known behind in St. Louis, Missouri. As the child of a slave mother and a slave owner father, her young life was one of drudgery and obedience until that fateful Independence Day when she illegally took a steamboat across the Mississippi River from St. Louis to Alton, Illinois, in the hope of reaching freedom. With the help of abolitionists, the sixteen year old traveled through Illinois, Wisconsin, Indiana,

and Michigan on what has become known as the Underground Railroad Each step of the way Quarlls was pursued by lawyers paid to retrieve her and bounty hunters greedy for the reward money She took cover in uncomfortable places from barrels to potato chutes to fields and endured long bumpy rides in the bottom of a wagon Finally she crossed from Detroit into Sandwich Canada But that was just the beginning In Canada Caroline created a new life as a free woman which was an exciting but also frightening experience Caroline s story gives young readers a personal snapshot of the tension filled journey of a runaway slave in 1842 and illuminates a segment of the complicated history of race in our nation **Richard Bong**

Pete Barnes,2009-08 Wisconsin born Richard Bong was the highest rated flying ace in World War II famous for having shot down 40 Japanese planes during a 3 year career as a fighter pilot The recipient of a Silver Star and a Congressional Medal of Honor Bong was killed after the war in a flying accident just months after marrying the love of his life Marge Vattendahl Badger Biographies is a series intended to integrate reading and Wisconsin history for 4th through 8th grade students or for ELL ESL high school students **Joyce Westerman**
